

## Getting Nearer Home

Navy Chief Electrician's Mate William C. Smith (left) of Long Beach, Calif., and Marine Master Sgt. Elmer B. Hendon of Cincinnati, acknowledge a greeting from a crowd as they arrive in Hawaii from the Orient after being held captives for 18 months by the Chinese Communists. The Navy is flying the men to the U.S. (AP Wirephoto).

## Business Men Told Streets To Be Ready Before Closing

### B-29 Bomber Crashes In Azores; All Killed

Shreveport, La., May 18 (AP)—A B-29 bomber carrying 18 persons crashed in the Azores with "no survivors," Barksdale Air Force Base announced today.

Capt. Salvatore Pelle, Barksdale public information officer, said no high-ranking officers were aboard.

The bomber was en route to England on a routine training mission when it crashed at 8:59 p. m. (E.S.T.) last night while landing at the Lages Air Force Base, Pelle said.

The plane left here with 11 crewmen and five passengers, probably military personnel. Pelle said all 16 presumably were aboard when the plane crashed.

Pelle said no list of the persons aboard could be issued immediately.

### Council to Accept Deed to Terrace

The Common Council last night voted at a special session to accept the deed of Walter Donnara for the property in the Miller's Lane area to be known as Browning Terrace.

This action followed recent approval of the proposal by the Board of Public Works which also met in special session to expedite start of the project which will give the city 26 new homes. It also opens the way for later extension of the street through to Lunneman avenue.

City Engineer Arthur P. Hallinan submitted a favorable report on the proposal at the B.P.W. meeting and estimated the cost at \$30,000.

Further action of the council is necessary on the cost and special assessment of the project, but last night's acceptance of the deed allows for start of the work in building the new 12th Ward street with all facilities and for the beginning of work on the 26 homes.

The cost to the city for the project will be approximately \$7,500.

### Princess Will Wed

San Francisco, May 18 (AP)—Any time now, maybe tomorrow—the lovely princess is going to wed her commoner sweetheart before a Muslim priest—and the curious king of Egypt can make the most of it. Last night 19-year-old Fatima, beautiful brunette sister of King Farouk at long last received official decrees from Cairo, confirming what she had read in the papers: Her title is lifted, her fortune is impounded, so is the fortune of Queen Mother Nazli; both must return to Egypt within 60 days. That did it. She promptly told her mother the Muslim wedding to 31-year-old Fikri Ghall, secretary to Queen Nazli, is on. "The quicker the better."

### Regulation Condemned

Rome, May 18 (AP)—The International Federation of Newspaper Editors today condemned government regulation of newspaper sale and distribution. The 17-nation federation approved a Swedish resolution demanding also that government rationing of newsprint "must be such as to assure equal treatment to all newspapers without regard to their view."

### Treasury Receipts

Washington, May 18 (AP)—The position of the treasury May 16: Net budget receipts \$153,712,313.78. Budget expenditures \$133,202,182.18. Cash balance \$4,269,184,590.28. Customs receipts for month \$20,744,323.44. Budget receipts fiscal year July 1 \$31,585,637.152.36. Budget expenditures fiscal year \$34,537,281,542.01. Budget deficit \$2,951,624,389.65. Total debt \$25,999,868,264.93. Decrease under previous day, \$6,419,291.71. Gold assets \$24,230,162,640.36.

## GOP Talks Of Picking Progressive

Duff's Victory Is Called Smashing Blow to Old Guard Among Republicans

Discounts Claims

Democrat Says Some Republicans Will Vote for Him

Washington, May 18 (AP)—Talk of electing a "progressive Republican" as president in 1952 grew louder today among G.O.P. senators who like that label for themselves.

The talk came from the smashing Pennsylvania Republican primary victory that gave Governor James H. Duff the nomination as senator and a strong hold on one of the most powerful parts of the national G.O.P. machinery.

Republicans of all political shades agreed that Duff had dealt a stunning blow to what some call the "Old Guard" among Republicans.

And most Republicans pointed to the heavy G.O.P. primary totals in Pennsylvania as evidence that they can recapture control of Congress this fall.

Duff's victory over John C. Kunkel was a defeat for the veteran and long powerful Joseph R. Grundy, 87-year-old former U. S. senator who has been a leading figure in state and national G.O.P. affairs.

It was this angle that brought smiles for Republican senators who enjoy being called progressives, such as Lodge and Saltonstall of Massachusetts, Ives of New York and Alken of Vermont.

Another of the same category, who would not permit use of his name, explained it this way: "In recent years no one has been able to get the Republican presidential nomination without the support of Joe Grundy, Joe Pew and the Pennsylvania old guard. But with that support all of them have been defeated by the Democrats."

"Now a progressive Republican can get the nomination and also be elected."

All of this, of course, rests upon Governor Duff defeating Democratic Senator Francis Myers in the November election in Pennsylvania.

Myers, now deputy Democratic Senate leader, discounted all Republican claims. He even suggested that some Republicans stayed away from the primary in order to vote Democratic this fall.

Senator Brewster (R-Ma.) who heads the G.O.P. campaign committee for this year's Senate races, said "he is very confident that Governor Duff will win in November."

Senator Martin (R-Pa.) who backed the losing Grundy ticket, curtly announced that he was "enthusiastic for the ticket nominated."

In Philadelphia Duff moved to close party ranks telling his backers they must not gloat and his party enemies they must not sorrow.

"What we must do now is defeat the Democrats," Duff said. Grundy refused to talk about the outcome. But G. Mason Owlett, Pennsylvania national committee man and longtime Grundy aide, promised to vote a "straight Republican ticket in the fall as I always have."

### Two Are Bitten

Local police were notified of dog bites from Sunday through Wednesday this week. Two reported yesterday were: Louis Naylor, 161 Tremper avenue, who was bitten on TenBroeck avenue, and Bruce Ronnenberg, 2 son of Special Officer Henry Ronnenberg, 19 Plymouth avenue, who was bitten on a hand shortly after 4 p. m.

## Woman's Body Is Found Hanging in Shed at Accord

Investigation Shows She Had Been Ill and Was Despondent; Verdict Given

The body of Mrs. Millie Hornbeck, 59, was discovered hanging in a tool shed behind her home on Route 209 near Accord about 5:30 p. m. Wednesday.

Coroner Arthur C. Chipp of Kerhonkson said death was suicide by hanging. Death was due to asphyxiation, he said.

Discovery of the body was made by William Hornbeck, her husband, when he returned from work Wednesday afternoon. Hornbeck, a carpenter, notified Dr. William Gateley of Kerhonkson, who found the woman to be dead and notified Coroner Chipp, the sheriff's office and the district attorney's office, Chipp reported.

No note was found, but Coroner Chipp said his investigation disclosed Mrs. Hornbeck was in ill health for some time and was despondent.

Chipp said the woman apparently tied a rope around a rafter in a small tool shed and, standing on a stool, tied the other end around her neck, after which she apparently kicked the stool away. She had been dead about five hours when discovered, officials estimated.

She is survived by her husband, William Hornbeck; a daughter, Beulah Hornbeck of Nevada; three brothers, Leslie and Herman Quick of Lehighardt, and Howard Quick, Kingston. Several nieces and nephews also survive.

Funeral services will be held Sunday at 2 p. m. from the R. B. Hamilton Funeral Home in Kerhonkson. The Rev. John Hart of the Rochester Reformed Church will officiate. Burial will be in the family plot in Fairview Cemetery, Stone Ridge.

## New Rail Strike Threatens in West

Six Thousand Switch Workers' Walkout Is Ordered

Chicago, May 18 (AP)—Ten mid-western and western railroads were threatened today with a strike Tuesday morning by 6,000 switchmen.

The walkout was called last night by the A.F.L. Switchmen's Union of North America in a wide dispute.

It came less than 48 hours after a hand shortly after 4 p. m.

## Truman, Marshall at Jefferson Papers Ceremony

President Truman (second from left), at a Library of Congress ceremony in Washington, received the first copy of Volume One of the Princeton University Press' 52-volume publication of the papers of Thomas Jefferson. Gen. George C. Marshall (second from right) receives another copy from President Harold W. Dodds of Princeton University. At left is Verner W. Clapp, acting librarian of congress. (AP Wirephoto)

# Lasting Command Is Set Up for Europe

## Justice Put Stopper on Knauff Plan

New York, May 18 (AP)—An order from a U. S. Supreme Court justice halted the deportation of a German-born war bride yesterday just 20 minutes before her plane left for Europe.

Signed by Justice Jackson in Washington, the order allows Mrs. Ellen Knauff to remain in this country pending the outcome of an appeal of her case to the high court. She was given until May 25 to file such an appeal.

Jackson followed up his order with a bluntly-worded statement criticizing Immigration and Justice Department officials for "bundling this woman onto an airplane to get her out of this country within hours" after the Circuit Court of Appeals had granted clearance to the deportation move.

Such haste, Jackson said, "leaves no doubt that the purpose is to defeat the jurisdiction of this court as well as the determination of Congress."

The House unanimously approved a bill last month to allow Mrs. Knauff to enter the United States. This measure is now pending before the Senate.

Held on Ellis Island Mrs. Knauff, 35, has been held on Ellis Island since 1948. She testified before a congressional committee last month that she believed the expulsion order was instigated by a former girl friend of her husband, Kurt. He was a civilian employee of the U. S. Military Government in Germany.

Jackson took pointed notice of the Justice Department's refusal to make public its reasons for barring Mrs. Knauff other than its report that "she would be a hazard to internal security."

He said he would have refused to sign the delay order if the department "had at any time shown even probable grounds to believe that presence of this woman a few days more in this country might jeopardize national security, even infinitesimally."

He added that neither Mrs. Knauff, the courts nor Congress had been able "to learn what the specific charges against her are."

Saypol Replies Asked by a reporter why the government wants to deport Mrs. Knauff and why she has not been informed of the reasons, U. S. Attorney Irving H. Saypol replied: "Our knowledge of the facts in"

(Continued on Page 16, Col. 4)

## Hudson Is in Peril Of Bad Explosion

Underground Gasoline Leak Has Searchers Busy on North Side

Part of the city of Hudson remained on the equivalent of a powder keg today as National Guard compressors were set to work and army engineers were expected to be summoned to hunt the source of an underground gasoline leak.

The threat of fire or explosion persisted on the north side of the city of 11,500 population as tests showed that oil as well as gas was seeping out of the ground and was 85 per cent explosive.

Digging was in progress at all available points and the city's foreman of public works said (Continued on Page 27, Col. 6)

## New Jersey Concludes 1950 Legislature; Battles Fought

Trenton, N. J., May 18 (AP)—Killing two proposals which delayed its adjournment by more than seven hours, the 1950 New Jersey Legislature concluded its regular session early this morning.

The bills that died only after bitter battles lasting past midnight sought to permit limits on milk imports into the state, and to set up a pension fund for veterans in public employment.

The Legislature will return July 8 for a constitutionally-required session to consider any votes by Governor Driscoll who said the Republican-controlled Legislature had written "a remarkably fine record."

Action on the five major bills

## 'Never Gave Up Hope'

Mrs. Ellen Knauff, German war bride called a "security risk" smiles as she talks to reporters after her deportation was stayed at the last minute at Idlewild Airport, New York. She has until May 25 to file a new appeal. "I'm so happy," she said. "I never gave up hope." (NEA Telephoto)

## Dewey Won't Run Again for Office, He Tells Leaders

Leaves for 3-Week Rest on Physician's Order, Hagerty Says

Albany, N. Y., May 18 (AP)—Governor Thomas E. Dewey of New York has told State Republican leaders that he is not going to run again for governor but has not closed the door indefinitely.

The announcement was made this afternoon by Dewey's secretary, James C. Hagerty, who also said the governor had left this morning for a three week vacation.

Hagerty said the governor would spend the week-end at nearby Saratoga Springs and then head south for an undisclosed resort. He was accompanied by Mrs. Dewey.

Dewey's vacation was ordered by the physician, Hagerty added. Hagerty told reporters that Dewey had informed Republican State Chairman William L. Pfeiffer and National Committeeman J. Russell Sprague of Nassau county last week that he is not going to run again.

Pfeiffer and Sprague strongly urged Dewey to reconsider and seek re-election as governor, Hagerty said.

Dewey told them he would talk with them again after his return from vacation June 9. This is interpreted to mean that Dewey would give further consideration to the urging of the leaders that he run again.

## He's Not 'Responsible'

New York city's rainmaker by agreement with state public works officials, is not supposed to be responsible for today's rain.

The cloud maker said he would be inactive today and Sunday when state officials are taking a traffic count to obtain data on the expected flow of traffic over the state Thruway. "Thus the rainmaker ducks out of full or part blame for the 40 days rain," which old-timers say follows a rainy Ascension Day.

## Wakfield Back

New York, May 18 (AP)—The New York Yankees announced today they had re-signed Dick Wakfield. The outfielder had been under suspension since April 29 for refusing to report to Chicago after the Yankees had attempted to trade him to the White Sox.

## Vassar Senior, 22, Seen in New York; Is Taken to Home

Alice Lindabury Reported in State of Mental Confusion; Details Are Not Given

Poughkeepsie, N. Y., May 18 (AP)—Alice Lindabury, 22, Vassar College senior who disappeared in New York city 12 days ago, was found there last night in a state of mental confusion.

She was taken to the home of her parents, Mr. and Mrs. Richard V. Lindabury, in Princeton, N. J.

Her father, associate editor of Crowell-Collier Publications in New York, said she was in "a state of nervous exhaustion and mental confusion."

Lindabury said the young woman was recognized by an acquaintance as she was having a late supper in a mid-town Manhattan child's restaurant.

Miss Lindabury's uncle, Henry Young, took her to Princeton in his car. There was no explanation as to where she had been, Lindabury said she was resting at home today and that he did not know where she had been for the past 10 days. He declined to (Continued on Page 19, Col. 4)

## Passion Play Is Given in Germany

Schoolgirl Plays Role of Virgin Mary at Oberammergau

Oberammergau, Germany, May 18 (AP)—The centuries-old passion play was staged today for the first time in 16 years, with a schoolgirl playing the Virgin Mary and an innkeeper cast as Christ.

A capacity audience of 5,200 watched as a cast of 1,500 villagers put on the dazzling spectacle with all its 300-year pageantry.

Dignitaries attending the premiere included West German President Theodor Heuss, Chancellor Konrad Adenauer and American and British high commissioners John McCloy and Sir Brian Robertson.

The officials sat in a special rear box of the arch-roofed amphitheatre. From there they looked over the audience and out upon the open stage backdropd by the Bavarian Alps, dotted with cottages.

The attention of the audience was focussed chiefly upon Anton Reininger, brown-haired village innkeeper in the role of Christ, and Annemie Mayr, 16-year-old wood-carving student portraying the Virgin Mary.

Christ, clad in a pale yellow robe with a crimson cloak, thrown over his right shoulder, appeared in the first scene—driving the money changers from the temple. Preisinger's performance was foretold.

Mary was done and saintly when she stepped onto the stage for the first time a short while later.

One American boy has a part in a crowd scene. He is six-year-old Johnny McMahon, son of Mayor and Mrs. John McMahon of Boise, Idaho. Major McMahon is (Continued on Page 19, Col. 6)

## Nations Are To Pick 12 Deputies

Appointments to Come Without Delay: Will Select Their Full-Time Chairman

To Form Policies

Responsibility Will Be Set for Formulating Issues

London, May 18 (AP)—Atlantic Pact foreign ministers set up a permanent high command tonight and ordered it to develop the armed forces necessary for the defense of western Europe.

Each of the 12 member foreign ministers will appoint a deputy to serve on the permanent committee.

"The appointments will be made 'with the least possible delay' so that the deputies can proceed to appoint a full-time chairman from among their members, the foreign ministers announced in a communique at the close of their four-day session.

This was in line with an agreement to set up a high command to block communism, whether it tries armed attack or "Trojan Horse" conquest.

The communique said: "A year's experience has shown that on the justified side the meetings of the council have been too infrequent to permit a sufficient exchange of views on matters of common interest within the scope of the treaty."

Has Been Adopted "On the military side the strategic concept of the treaty has been adopted and a defense plan drawn up, and the corresponding estimate of the necessary forces is being established."

"The next step is to put these plans into effect by taking further measures in the direction of common defense, the division of financial responsibilities and the adaptation and development of the necessary forces."

The communique said the permanent high command will exercise "for formulating issues requiring decisions by the member governments."

The highest priority tasks of the permanent council will be: 1. To coordinate the work of the North Atlantic Council's Defense Committee, its Defense Financial Economic Committee and all other agencies established under the treaty.

2. Recommend to governments the steps necessary to get coordinated plans into operation for the defense of the North Atlantic area.

Continuing their meeting here, the foreign ministers of the 12 Atlantic Pact Nations discussed last night anti-Russian defense measures would be directed, and coordinated, by a permanent council of their deputies, probably headed by an American.

Full of Speculation European newspapers have been full of speculation about who the council head would be. Three mentioned include W. Averell Harriman, acting ambassador for the Marshall Plan, Robert A. Lovett, former and secretary of state, Gen. Omar A. Bradley, chairman of the U. S. Joint Chiefs of Staff, and Gen. Dwight D. Eisenhower, wartime supreme allied commander in Europe.

A communique announcing the new setup is scheduled to be issued when the foreign ministers and their meeting tonight.

The permanent council will have two main jobs.

First, it must work out a time schedule for training for the making and allocation of arms and the drawing up of final military plans, so the West can feel sure of stopping Russian aggression if it comes.

Second, it must bolster the economies of the western nations so that the large Communist parties in countries like France and Italy will find less discontent to exploit.

Those in Agreement The 12 nations which agreed on this plan are the United States, Canada, Britain, France, Italy, Norway, Denmark, Holland, Belgium, Luxembourg, Portugal and Iceland.

Agreement was achieved only after considerable soul-searching by some European members who (Continued on Page 20, Col. 1)

## Dewey Says U. S. Proposal Is Bad; Still 'Socialized'

Albany, N. Y., May 18 (AP)—Governor Dewey contends that President Truman's National Health Insurance proposal would "wreck our health."

"It's still socialized medicine" and "political bait," Dewey said last night. "Politics and medicine do not mix," he added.

The twice-beaten Republican presidential nominee jabbed at the Truman administration at a dinner in connection with the dedication of a \$4,000,000 laboratory at the Sterling-Winthrop Research Institute, Inc., in Rensselaer, across the Hudson river.

The dedication continues today with medical scientists and researchers participating in a symposium.

Dewey reviewed achievements of the last 50 years in fighting disease, and said:

"All this has been done, let me emphasize, without socialized medicine. It is more political called compulsory health insurance. And some would now like to have us call it national health

insurance. By whatever name you call it, you can't make this political bait smell any sweeter.

**Achievements Made Possible**

"The incredible achievements in health have been made possible by the enterprise system many of them in the pursuit of profit."

Dewey said he was entirely sure that if Washington should ever get control of the health and medical research of this country he is a think of the past.

"And if Washington did get control, nobody would ever know whether the federal wholesale purchase of drugs for the masses of our people was determined by doctors or by the five percenters."

"The reason why we should not fall for these smooth-tongued political healing arts, he said, is because they would wreck our health. Then, while pretending to pay our doctors' bills, they admit they would pick our pockets of the price and a good deal more too, so as to pay for a large new political bureaucracy."

**Was Not 'Political'**

At the outset of his speech, which was broadcast on a nationwide hookup (APC), Dewey said that it would not be political, he continued:

"It isn't even going to be one of those non-political political speeches of which the country has been hearing so many recently from the rear platform of a pri-

vato train. Moreover, it won't cost the taxpayers a cent."

The dedication got underway when amplified sound waves of a new-born baby's first cry raised a curtain at the laboratory.

The cry was from Pamela Cain, born at 11:50 a. m. at Albany Hospital. She won a "stork derby" sponsored by the institute and was awarded a \$3,000 scholarship.

**Straphangers Leave Many Things Behind**

New York, May 18 (AP)—You may not find many carpets on the underground here in Bagdad-on-the-subway, but occasionally you see a bathtub or other large objects left behind by absent-minded straphangers.

This came to light yesterday when the Board of Transportation sold at auction an odd assortment of articles left on the city's subways during the past six months. A bathtub was bid in at \$1.50. A suitcase containing women's shoes sold for \$1. The shoes were

## CRIME OVERLORDS IN LIMELIGHT

In the coming months this country will have an unusual chance to deal smashing blows against organized crime. Both Congress and the Justice Department have plans underway which could produce excellent results—if properly executed.

The Senate has created a special crime investigating committee and given it \$150,000 to work with. Senator Kefauver, Tennessee Democrat, is the chairman.

At the same time, the Justice Department has begun a comprehensive inventory of 150 leading underworld figures in the United States. It has asked all U. S. attorneys to supply full information at their command on the activities of these individuals. Department officials will coordinate the information in Washington.

The inventory may be a prelude to the most sweeping prosecution of racketeers since the late 1920's and early 1930's, when Al Capone and many other prohibition gangster were put behind bars.

The pattern of crime has altered greatly since those days. Now the obviously phony front common in that period is considered amateurish. Leaders in gambling, vice and racketeering engage in many legitimate business, tangling them so cleverly with their illicit activities that it's hard to draw the line.

They hire able lawyers, try to keep within the law and, for the most part, manage to play out of jail.

No one, not even our best crime experts, is sure how broadly these groups are organized, though many believe powerful national syndicates exist. Nor has anyone explored with painstaking thoroughness the role organized crime plays in American politics.

That's the opportunity beckoning both to the Senate committee and the Justice Department: to mark out the real boundaries of U. S. crime and determine its true links with our political life.

The job in the Senate calls for able, earnest leadership. It will be impossible to keep politics out of it. But perhaps we can hope at least that political angles will not be overstressed. No party and no individual should be spared in ferreting out the truth, whether in California, Louisiana or President Truman's home state of Missouri.

The Justice Department may assist the committee by turning over some of its findings on the 150 racketeers, if that won't hamper possible prosecution.

Above all, the glare of publicity should be thrown upon these men and their many underlings. A Communist often finds publicity to his advantage; criminal never does.

## DIME IN THE SLOT

The slot into which a nickel once was dropped for various purposes has largely given way to a smaller slot into which, perversely, a coin of larger value is dropped. A few of the old familiar nickel slots have remained, notably the one on the pay telephone. Now, alas, even that one has been weakened by the ceaseless blows of inflation. In New York, the installation of pay phones at a dime a call has been approved.

If the nickel phone call goes, we still will be left with the five-cent parking meter. How long can it hold out?

## WESTCHESTER ALSO PROTESTS

Commenting editorially on New York City's rain-making scheme, The Herald of Westchester says in part:

We are in sympathy with the businessmen who are being hit below the belt by continued unnecessary rain-making. We are in favor of proposals now being advanced by Merchant Groups and Chambers of Commerce in Westchester to protest the regular rain-making tests.

Westchester pays through restriction of its water usage and through the distress attendant the seige of lousy weather which prevailed during the rain-maker's interference with Nature.

Just how critical is the water situation? It's not critical any longer.

Now in storage is some 250 billions of gal-

## 'These Days'

By GEORGE E. SOKOLSKY

## SCIENCE DELIRIOUS

An Associated Press dispatch recorded that Professor S. W. Britton of the University of Virginia is concerned with a great problem, greater than the McCarthy-Tydings, Chavez-Budenz fights or even Harry Truman's whistle-stop trip across the country. It is the eternal problem of what to do with the unfortunate human race.

The learned professor would like our researchers to breed monkeys with human beings to see what would happen. To be scientific, he wants to use apes for his purpose and to breed them by artificial insemination. This, it would seem to me, is science in the most delicious sense. Don't we have troubles enough without that?

I must admit that the professor sees some of the troubles ahead. He fears that if the human race got hold of these half-and-half folks, they would use them as slaves. Apparently, he is certain that the ape-man would not use humans as slaves. The professor is opposed to slavery, but not to the debasement of human beings.

For instance, does he not realize that after a while, some politician would demand social security for the half-and-half folks and that liberals would want to be married to them to prove their total lack of prejudice? And suppose the half-men decided to discriminate against the aboriginal whole humans. Horrible thought, but not very original.

I had never heard of Dr. S. W. Britton before, but he must be a big-shot in the scientific world because he made a report to the National Academy of Sciences, which is a professional trade association where they exchange ideas, methods, etc. However, no one is terribly excited about it, particularly not the apes, who probably would go on a strike if forced to produce a half-human progeny. The apes may not like it at all. When the apes look at some of those who govern us, they undoubtedly recall Alexander Woolcott's remark about the most interesting place in Washington being its zoo.

Science for science's sake is very much like art for art's sake or politics for politics' sake—it can move from confusion to confusion without purpose. It is trial and error, hit or miss, without thought of consequences. Admittedly, the benefits of scientific research have been great and valuable, but if the ultimate of this activity is the destruction of the human race, either by a bomb that would throw the crust of the earth into its atmosphere or the denaturing of man into a lower order of ape by intermarriage and assimilation—then science needs restraint by morality. There is the basic problem of our age: The restoration of moral criteria.

And that essentially is why our scientists are beginning to be so frightened by their own products. They know that their greatest work today—the transmutation of matter—produces destruction. While, on the other hand, human life is being prolonged through scientific research. The same process is producing a method for the total annihilation of the human race, and for that matter, of everything.

Fortunately, no one has yet produced a hydrogen bomb, but on paper it seems possible, and both the United States and Soviet Russia are engaged in a race to manufacture it. What such a bomb could do to the human race is as yet only within the realm of the imagination, and whichever nation first succeeds in producing it will reduce all others to its will, no matter how savage.

Maps have been produced to show the range of destruction, but those maps only deal with the earth. What could be the effect of such an explosion on the universe? What would happen to estimate if even an atom bomb, to say nothing of a hydrogen bomb, were exploded on the polar cap. Would we lose the ice of the Arctic so that icebergs and glaciers moved southward, turning our world into a new Ice-Age? Would we be flooded by the immense downflow of water from the Arctic area, as the increase of the ice-flow met the warmer areas of the world?

There is a balance in nature which man challenges at his peril. This balance is being challenged every day by those who, denying Divine Intelligence, never question their own.

## That Body of Yours

By James W. Barlow, M.D.

**THE EFFECTS OF UNDERFEEDING**  
 At the time the "boyish" figure was popular with young women, Florenz Ziegfeld was persuaded to use "slim" girls in his stage productions. After one year's trial, he went back to his former type of girls; they had more curves, and curves were more attractive to audiences.

However, it was not only audience reaction that influenced him to return to the more girlish figures. The slim girls, because they had so greatly reduced their weight just at the time when Nature meant them to be at least of normal weight or slightly over normal weight, suffered a loss of health. Loss of buoyancy of the body and lack of luster in the eyes. They lost their attractiveness. Further, the attempt to acquire a boyish figure by losing weight was the cause of many cases of tuberculosis, our lung specialists stating that they were fighting a winning battle against tuberculosis in every age group except teenage girls and adult young women.

That underfeeding is dangerous to the general health and particularly to some important glands is stated in an editorial in "The Journal of the American Medical Association." The investigation of the effects of cutting down on the food intake, which decreases the energy of the body, has been going on in various laboratories, because of widespread starvation in the world.

Increase in body weight is prevented under these conditions but the bones—the body's foundation—continue to grow. Lack of food or cutting down greatly on the food intake affects the individual mentally, physically and emotionally.

A recent report of the influence of low calory intake, (underfeeding) on the glands of the body shows that two groups of mice, one well fed and the other receiving only two-thirds as many calories, were examined for the activity of the adrenal glands. It was found that in order to prevent the damage done to the health of the body by underfeeding, these glands became more active, produced more fighting juice. If normal weight don't try to reduce.

**Eating Your Way to Health**  
 Be sure you are getting the all-round daily diet for your type of build, occupation, etc. Write today for Dr. Barlow's booklet on this subject entitled "Eating Your Way to Health." Send 10 cents, and a 3-cent stamp, to cover cost of handling and mailing, to The Bell Syndicate, Inc., in care of The Kingston Daily Freeman, Post Office Box 99, Station G, New York 19, N. Y., and ask for your copy. (Released by The Bell Syndicate, Inc.)

lons. Water officials say consumption is running approximately 880,000,000 gallons a day.

That means the water now in storage is sufficient to carry consumers of the system through until next January 15, even if there were no rain for more than eight months.

But O'Dwyer and his rain-maker are intent upon filling up the reservoirs so New Yorkers can return to their wasteful ways.

The fact that tinkering with the weather ruins business, makes life miserable for the people and may ruin crops and once well kept landscapes makes no difference.

The boys have a new plaything and will keep playing until their toy is broken.

## Thirty Pieces of Silver

## The Washington Merry-Go-Round

By DREW PEARSON

Washington—One of the most carefully guarded secrets of the war was the fact that Japan was floating balloons across the Pacific ocean to Oregon, Washington and even as far east as Illinois and Texas.

U. S. censors gave strict orders to suppress all news of these balloons; and even when an Oregon family climbed into a tree to examine a balloon and was blown to bits, censors suppressed the information.

Reason for the strict censorship was that American commanders didn't want the Japs to know how successful their balloon campaign was. If the Japs realized their balloons were getting across, it was believed they would launch many more thousands.

After the war ended, cross-examination of the Jap military revealed that 60,000 of these balloons had been launched from the Ryukyu Islands and Formosa. They crossed the Pacific at an altitude of about 17,000 feet at a speed of over 100 miles an hour and were equipped with gadgets which made them descend after a certain distance. The prevailing winds across the Pacific made the flight relatively simple—despite the fact that the Pacific is the widest of all oceans.

The balloons were equipped as incendiary carriers to set fire to northwest forests, and later they were to be equipped as carriers of bacteriological warfare.

**Balloons to Russia**  
 Use of these same type balloons to carry propaganda into Russia was proposed in this column two years ago. The wind currents from Germany, France, Austria, Turkey or even England make it easy to float balloons into Russia. In fact, they could be inflated so as to come down in certain planned areas, carrying not only propaganda, but bars of soap.

candy, shortwave radio sets, etc. The weather bureau, with whom I conferred at the time, confirmed the fact that floating balloons into Russia would be fairly easy. Secretary of Air Stuart Symington and Chief of Staff Omar Bradley gave their enthusiastic approval. But at that time the State Department said no.

However, with increasing Soviet jamming of the Voice of America, and with the increasing urgency of getting American ideas across to the Russian people, the State Department under five-wire Assistant Secretary Ed Barrett is re-examining the matter. A sincere effort is being made to put across the Acheson idea of "total diplomacy."

**A Candidate Forgets**  
 Willis Smith, one of North Carolina's candidates for the Senate, has been stumping the State telling folks that he is the great friend of the working man. One of his full-page advertisements reads:

"I believe in high wage scales for the American working man." What lawyer Smith has forgotten, however—or at least what he wants the people of North Carolina to forget—is that he actually opposed a 40-cent minimum wage for the working man as late as 1947. Despite the fact that the federal minimum wage is now fixed at 75 cents, Smith informed the North Carolina General Assembly that the 40-cent minimum was "harsh, unreasonable and unnecessary."

Note—in contrast, candidate Smith last year received a fee of \$23,177 for liquidating the Madix Asphalt Roofing Co., of Raleigh. Since the job took him only 98 days, he was paid at the rate of \$239.28 a day in contrast to the \$16 a week minimum which he told the General Assembly was too high for North Carolina workmen. While liquidating the firm, incidentally, Smith lived at the beach resort of Morehead City and charged his client 10 cents a mile expense for riding back and forth to the beach.

**Soviet Eyes Okinawa**  
 A Soviet plot to force the United States off its Pacific island bases is revealed in recent reports to the Joint Chiefs of Staff.

The clue to Soviet plans is the massing of thousands of Chinese forced laborers to build giant airports within bombing range of Okinawa. The airports are on the East China Sea, and will have wide, long runways for planes much larger than anything operated by the Chinese Communists.

U. S. intelligence reports say that Soviet officers are directing the construction of these airfields. The Communists are also planning jet bases, one of them at Nungpo.

This information fits into the Joint Chiefs' estimate of Soviet plans—diversionary moves in Europe to distract our attention, but with the main punch aimed at southeast Asia and the Pacific. The Kremlin appears ready to take a chance that the American public would let Okinawa and even the Philippines fall rather than go to war.

**Loney and Barry**  
 Secretary of Defense Louis Johnson's penchant for talking off the cuff is getting him in trouble with President Truman—who also talks off the cuff. The President complained to an old friend the other day, "Loney talks to Bernie Baruch and tells him things he doesn't tell me. I have to learn about them third hand."

The White House also learned that Secretary Johnson gave a Pentagon visitor some secret regarding the navy plane shot down over the Baltic. The visitor was J. Arthur Rank, the British film magnate.

Note—Mr. Truman has no love for the elderly Baruch since Baruch refused to serve on a Democratic committee in the 1948 campaign.

**Merry-Go-Round**  
 Oklahoma's state C.I.O. Council has secretly voted to take no sides in the bitter battle between Sen. Elmer Thomas and Congressman Mike Monroney. This means that Senator Thomas, who usually gets the labor vote in Oklahoma, will be strictly on his own against Monroney, the man who received the Collier's Award several years back for outstanding congressional service.

Trygve Lie, U.N. Secretary-General, got a rough introduction to the Iron Curtain in Prague. At a so-called press conference, the Communist news stogers harangued him about the "western warmongers," capitalists. When Lie protested he was not an agent of the western powers, he was given the horse laugh. . . . Egypt is quietly recruiting an army and navy of international rovers to do battle again with Israel. Armed frigates for the Egyptian navy are being bought privately from U. S. companies. . . . Life is now so hot behind the Iron Curtain that a German circus, Brumbach and Barby (not Barnum and Bailey), shipped across the border into western Europe the other night. The Brumbach circus included 90 wagons, various elephants, tigers, monkeys, and clowns, but they got across the border just the same.

(Copyright, 1950, The Bell Syndicate, Inc.)

**Mail Delayed by Bees**  
 Ballston Spa, N. Y., May 18 (AP)—A swarm of bees delayed the mail yesterday. The bees gathered on the rear of a mail truck as John Lummick drove from the post office to the railroad station. Lummick hurried back to the post office. Two beekeepers collected the insects and the mail moved again, nearly an hour late.

## Today in Washington

## Dickmon is Still Unemployed After Three Months; Called Lewis Dictator

By DAVID LAWRENCE

Washington, May 18 (Joseph Dickmon, the coal miner who was still unemployed after three months, apologized, but it did him no good. His suspension from the union stands and keeps him out of a job.

Everybody has had kind words of sympathy and there have been offers of financial aid, but it doesn't help Joe Dickmon, who has discovered he is living under an "any future" dictatorship and that nobody is doing anything that can help him.

certainly not President Truman, and certainly not the administration leaders in Congress who are blocking any action on the Taft-Hartley Act to protect workers against arbitrary power by unions.

Joe Dickmon's case is typical of many others. It can be best understood by reading a letter received from him by this correspondent today. Dickmon writes from his home in Liberty, Pa., under date of May 15 giving the story from the beginning:

"I wrote a letter to the Pittsburgh Post-Gazette calling Lewis dictator and asking the men to revolt against him. About four days after this letter was published, Tom Evans (our local president) made a statement to the papers that I was through as a coal miner out here.

"I answered by saying here was another case of dictatorship—I never had a trial or a hearing and one man can say that I am through as a miner.

"I imagine that the district leaders realized that Tom Evans was wrong by making that statement without a meeting being held because I received a letter requesting my attendance at the next meeting.

"I was called to the front of the room and Tom Evans read a part from the United Mine Workers' constitution, saying anyone making false statements against any union official is automatically suspended for six months. He asked how I pleaded. I answered 'not guilty.'

"He then asked the men what are they going to do. A miner got up and made a motion that the constitution be upheld. It was seconded—put to a vote, 151 to 0. I was handed a typed sheet saying I was suspended for six months. I was assigned to escort me out of the meeting.

"A lawyer from New Kensington offered his aid free of charge. We filed an appeal to District 5 of which Bussurroville is president. A few weeks later by and the law, I was given another letter saying I was suspended for six months. I was assigned to escort me out of the hearing are exhausted.

"A week after this, I was given a hearing before the board of District 5. I was given a letter to the Post-Gazette, I claimed that the rank and file should be sent back to showing where the money from our dues are being spent and why.

## Questions - Answers

**Q—How many different types of monkeys have survived in Europe?**  
**A—The Magot, or Barbary Ape, is the only monkey left in Europe. There it lives only on the Rock of Gibraltar.**

**Q—Did the federal government give money or bonds to the pioneer western railroads?**

**A—No. The federal government made loans of bonds to hasten the construction of six pioneer railroads. These were not gifts but were loans, bearing interest.**

**Q—What American artist named his sons for famous painters?**

**A—Charles W. Peale named all of his children after famous artists. His son, Rembrandt, is especially famous for his portrait of George Washington.**

**Q—When were the Queensberry boxing rules established?**

**A—The 8th Marquess of Queensberry put forward the Queensberry rules in 1866, a code that called for gloved contests. These rules were first applied in 1882, in the title bout between John L. Sullivan and James J. Corbett in New Orleans.**

**Q—What was the Mecklenburg Declaration?**

**A—In May, 1775, the North Carolina colonists declared their independence of Great Britain and at Charlotte in Mecklenburg county signed a paper to this effect.**

**Twenty and Ten Years Ago**  
 May 18, 1930—Miss Violet Marion Diddell of Bloomington and Frank McElrath of Elmhurst were married at St. John's Church.

Charles Lockhead, 27, of Newburgh and Maud Finn, 33, of Pine Bush were fatally injured in an accident near Brunswick, town of Gardiner.

Elliot C. Clark and Miss Eloise M. Hahn were married at the home of the bride on Schuyler court.

Mrs. Samuel Knust of West Pierpont street died.

May 18, 1940—Postmaster Perry E. Taylor of Schoharie county was killed when a D. & E. train struck his car near Schoharie village.

An estimated 95 per cent of uptown merchants opposed making Fair and Wall streets one-way at a public hearing on the proposal.

The Kingston High School baseball team won over Saugerties 10-2 in a DUSO League contest.

The area overnight low temperature was 44 and the noon high 61 degrees.

## SHOKAN

Shokan, May 17—Ann and Betty Gruber of Kingston were weekend guests at the home of Mr. and Mrs. Earl Ehrenhardt.

Frederick Snyder, Kingston lecturer and commentator, has been engaged to deliver the commencement address at the Otsego Central school graduation exercises on June 22.

The site for a third firehouse in Otsego to be located between Route 28A and the Bushkill bridge on the west side of the river. The site is now being prepared by putting up the building. The lot was secured of William Colgate of West Shokan.

West bound truckloads of logs pass through the village over the trail nearly every day. Shipments of ash logs to a Kingston plant appear to be much more frequent than in the past.

According to local observers, Delaware county sawmills are buying oak, maple, birch, cherry and hawthorn this spring.

William A. Knuch of Ashokan has employment at the new three-way section in the Saugerties area. It is expected that this four-lane highway will be open to the public around the first of July.

George Hauser, local reservoir employee, is redecorating his ten-unit bungalow, the Maynard House, residence on Cliff Road.

Edward Arnold and sons are operating of the one time Ephraim Weeks farm along the East. Farmstead, have done some spring planting. They have a tractor and other modern farming gear.

How time flies. It was 35 years ago that the first Kingston Daily Freeman was published.

Don and dykes, arranged with a Kingston firm for delivery of their season's supply of ice to Ashokan by train. Previous to the winter of '15, they had harvested their own ice; now, in the closing period of construction activities, the Kingston firm is to buy an estimated 1,500 tons.

Oscar Seligman, a newcomer in the west end of the village as of last year, has a fine looking garden patch this season. Oscar who is a friend and former pupil of Benjamin McFadden, occupation authority on physical culture, is quite a horticulturist.

John Ariss, local World War 2 veteran, has enlisted on the Broadway crossing project in Kingston.

World contest from Colorado Beach, Pa. that Lawrence Spencer, recently married, has been traditionally set back down there.

Larry takes after his father, the late Thomas Spencer, and the latter's grandfather, the late Earl Brunard of Barreville, in being one of the reservoir country's outstanding trout fishermen.

**Dope Ring Is Broken**

Galveston, Tex., May 18 (AP)—Federal and local officers claim to have broken up a \$1,000,000 dope ring which bought heroin from New York racketeers with marijuana smuggled from Mexico. About 50 suspects were arrested yesterday in a day-long series of raids on Tavernier and rooming houses in this gulf coast area. Preliminary hearings on federal narcotic charges were held for 12 defendants late yesterday, including three men which officers pointed out as ringleaders. Hearings for three others are scheduled today.

**Dr. Moore Talks On Agriculture At Rotary Meeting**

Dr. Erwin V. Moore, assistant commissioner of the State Department of Agriculture and Markets, in an informal talk before the Rotary Club on Wednesday declared that the economic honeymoon for the business man in agriculture was over and he had better recognize it.

At the present time, he said, prices the farmer received for his products were down 22 per cent, but there was no corresponding reduction in the things he had to buy to continue his business. When a recession or a leveling off comes, he stated, the farmer is the first one to be put through the wringer.

The interdependence of the farmer and the city business interests were little understood by either side, he asserted. When the business of the farmer is good, business in the stores of the city is good, but when it isn't good down on the farm it is reflected in the stores of the city, he said.

Another matter that isn't appreciated, he declared, was the amount the farmer received for his product and the price the consumer paid. The speaker pointed out that the farmer receives but a small fraction of the amount ultimately charged, because to his initial cost there is added the expenses of transportation, labor, taxes, insurance and other costs.

The importance of agriculture in the economic framework of this country and also of this state was emphasized. Work of the administration of the department was outlined briefly by Dr. Moore. A large number of men engaged in farming in Ulster county were guests at the luncheon-meeting.

**1950 CENSUS HAVE YOU BEEN COUNTED?**

The United States Census is nearing completion. If you have not been counted at your home or anywhere else, please fill out the form below and mail it immediately to the Bureau of Census, State Armory Building, Kingston, N. Y.

My address on April 1, 1950 was:

House Number and Street .....

City or Town ..... County .....

Name ..... (Last) ..... (First) ..... (Middle) .....

New York State tax monies and other benefits are distributed on the basis of population. It is to your interest and to your neighbor's that you be counted.

**More Groups Named For Local Blind Sale**

The Fair Street Reformed, Trinity Methodist, and Hurley Reformed Church committees will be in charge of the Kingston sale for the blind at 48 Main street on Wednesday, May 24. The sale, which is being held May 19 through 27, is sponsored by the local Lions Club. Mrs. Harris Brown is general chairman of the sale.

The schedule for Wednesday is as follows: Fair Street Reformed, 10 a. m. to 12:30 p. m.; Mrs. William J. Best, chairman; Mesdames Otto Havlin, Peter Hornbeck, N. LeVan Haver, John Garon, Frederick Hoffman, William C. Dutton, M. H. Herzog, Louis J. Smith, Addison A. Schultz, Burton L. Haver, Jacob H. Stewart.

Trinity Methodist, 12:30 to 3 p. m.; Mrs. Frank Thompson, chairman; Mrs. John D. Short, Misses Minnie Osterhoudt, Irene Goodsell.

**Three Workmen Burned**

New York, May 18 (AP)—Three workmen were burned severely yesterday when a crowbar welded by one in an excavation struck a power line. The men, employed by the Consolidated Edison Company, were tapping a 13,200-volt line to provide current for a new building in midtown Manhattan. Richard Roach, 37, drove the crowbar into a concrete form around the wire. Flashes, sparks and smoke enveloped Roach and his co-workers, Raymond Reitenberger, 23, and John Pelic, 27. Other workmen in the vicinity shut off power in the line and removed the injured men from the ditch.

**Coffee Crop Is Slashed**

Bogota, Colombia, May 18 (AP)—Prolonged rains have slashed Colombia's coffee crop by nearly 50 per cent and imperilled the nation's economy, a government spokesman said today.

p. m.—Mrs. M. T. E. DeWitt, chairman; Mesdames Clark Dixon, George Brown, Jr., Elliott Whitney, John Gill, Charles Relyea.

## HIGHLAND

Highland, May 17—Sunday services in the Methodist Churches in Lloyd and New Paltz were conducted last Sunday by Lorin E. Osterhout and George F. DuBois, laymen in the local church. Pastors of the other churches were attending conference held in New York.

Postmaster and Mrs. Nathan D. Williams spent the weekend at the home of their son, Arthur T. Williams, Springfield, Mass. Mrs. G. Haddock Mearns returned the Monday Bridge Club with Miss Eliza Raymond playing for Mrs. Joseph Mellor.

Miss Marilyn Dumsey, junior at Plattsburgh State College, arrived home Thursday and remained until Sunday.

Mr. and Mrs. C. E. R. Haight, David and Jeffrey Haight, Mrs. Dora R. Haight, Round Lake; the Misses Ruth Forsberg, Dorothy Haight were Saturday night dinner guests of Miss Eliza Raymond and were joined in the evening by Assemblyman and Mrs. John F. Wadlin. On Sunday the party went to dinner guests of the Misses Ruth Forsberg and Dorothy Haight in Poughkeepsie before returning home. The event celebrated four birthdays of the party. Mrs. Dora Haight remained for a longer stay.

Mrs. Joseph Mellor spent from Friday to Monday with her daughter, Miss Margery Mellor in Albany.

Miss Ann Wilcox, freshman in Elmira College, has been elected secretary for her class next year and also chairman of the Religious Emphasis day, chairman of the May day picnic held in Watkins Glen and has been assigned a part in the play, "I Remember Maria." Miss Wilcox was an honor student in her class as she graduated from the local school last year.

Vineyard Rebekah Lodge entertained on Thursday evening for members of Albion and Colonist Lodges, Kingston; Ravens Lodge, Marlborough; Olive Bridge Lodge, Olive Bridge with 75 in attendance. The local lodge arranged to hold a card party at the close of their next meeting, May 26, with Mrs. Nellie Berkley as chairman of refreshments, and that they will be represented in the Memorial Day parade by a float. Mrs. Myra Ball had arranged a program in which there were selections by the Doodle Bug orchestra composed of Mrs. Verna Thorn, Mrs. George Erickson, Mrs. Fred Erickson, Mrs. Gabe Tompkins, Mrs. Lawrence Morse, Mrs. Ralph Dirk, reading on Mother's Day, Mrs. Ball vocal selections, Miss Doris Evans, accompanied by Leonard Ball. Mrs. Ball presented a cake to the noble grand, Mrs. Morse in honor of Mother's Day. Refreshments were served by Mrs. George Erickson and her committee.

Mrs. Clarence Rathgeb conducted the devotion at the meeting of the Evening Study Club Monday at the home of Mrs. Ella Langdon. Mrs. Rathgeb used the new curriculum with Moses as her subject. Miss Emily Lenz led discussion of the last chapter of the Glass Roots book, on Facing the

## QUALITY! FLAVOR!

## Mrs. Willkie Might Receive Both G.O.P., Democratic Aid

New York, May 18 (AP)—Mrs. Wendell Willkie may have the backing of both Democrats and Republicans in a coalition effort to defeat leftwing Rep. Vito Marcantonio (A.L.P.-N.Y.), who has represented the 18th District in Congress for 16 years.

The Republicans seem all set to name Mrs. Willkie, the widow of the unsuccessful 1940 G.O.P. presidential candidate.

Last night in Albany, Rep. William L. Pfeiffer, New York state Republican chairman, said he had not talked with Mrs. Willkie but

added: "There's an opportunity, if the

Democrats want a good candidate, I think she'd make an excellent one."

Earlier Mrs. Willkie had been endorsed by Thomas J. Curran, New York (Manhattan) county Republican chairman.

Mrs. Willkie declined to talk with newsmen but sent word from her Fifth Avenue home that she had not been approached officially on the subject.

Curran also admitted he had not talked with her, but said, "I am confident that she will run."

Carmine G. De Sapio, head of Tammany Hall, the Manhattan Democratic organization, expressed willingness to discuss the

matter with Mrs. Willkie and Republican leaders.

"The door is open and anyone can come in," he said. "Marcantonio has to be beaten and we are interested in anyone we think can do the job."

There has been a great deal of talk about a Republican-Democratic coalition to defeat the American Labor Party's lone congressman.

De Sapio said he expected to confer today and tomorrow with Assembly leaders of the congressional district to get their views.

After talking with them, he said, he might have a candidate or candidate to suggest to Curran. Joseph F. Clementis, candidate for the Democratic nomination in Marcantonio's congressional district, termed Curran's suggestion that Mrs. Willkie be nominated as "ridiculous."

## Vacation Permits Needed for Work

It is being stressed by the New York State Department of Labor that youngsters 14 through 17 years of age must get a vacation permit if they plan to work during the summer.

Under the State Labor Law, young people 14 or 15 years old who want to work on a farm must get a farm work permit. Youngsters 16 and over do not need a permit for this kind of employment.

Those desiring other than farm work and who are 14 through 17 must get working papers. Complete information about securing working papers and farm work permits can be obtained at local schools.

## Cigarette Smoking Blamed For Lung Cancer in Report

Saratoga Lake, N. Y., May 18 (AP)—The president of the American Cancer Society says cigarette smoking "probably" causes cancer of the lung.

The disease is found almost exclusively among men, Dr. Anton C. Lehmann reports. It bypasses even women who smoke heavily.

The New Orleans surgeon spoke yesterday at a symposium opening a \$120,000 diagnostic and therapeutic clinic at the department of General Hospital here. He said:

"Cancer of the lung has become a frequent disease among men and continues to increase. Although not yet proven, the cause is probably cigarette smoking, since the incidence of lung cancer parallels the incidence of lung cancer among smokers."

"The disease seems to attack

men almost exclusively, and is almost always fatal when it is first discovered."

In addressing a meeting of physicians, Dr. Lehmann mentioned treatment of lung cancer by removal of the lung.

## Accepts Chairmanship

New York, May 18 (AP)—Harold C. Hunt, president of the Board of Trustees of the American Cancer Society, has accepted the chairmanship of the Public Schools Association of the State of New York. Dr. Hunt was elected to the position at a meeting of the association held at the Waldorf-Astoria Hotel in New York City. He is the first physician to hold the position. Dr. Hunt is a member of the American Cancer Society and has been a member of the association since its formation in 1928. He is also a member of the New York State Medical Association and the New York State Bar Association.

## IN COUNTY GRANGES

**Lake Katrine Unit**  
Thirty-two members of Lake Katrine Grange went to Plattkill May 13 for the visitation meeting and staged a literary program under the direction of the lecturer of Katrine Grange. The theme of the County Granges "Acres of Diamonds" was discussed by the lecturer who placed diamonds in three classes or grades: those of the first class, or gems of great value which are seen or worn on rare occasions and are much sought because of their brilliancy and beauty; those of a lesser grade, while of lesser value give more pleasure to a greater number of people because they are more frequently displayed and worn; and thirdly, diamonds of little or no value for display purposes but still have a value and purpose and add much to the pleasures of mankind. These diamonds were compared to Grange members, those who had ability to do things better than others and became National and State Grange officers and did things for the Grange in a big way or appeared at

Grange meetings only on very special occasions. Those of the lesser grade who usually filled the offices of the subordinate granges and did the real work that kept the granges going, not so prominent as those of the first grade but gems of great value because of the type of service rendered. Those of lesser value were likened to members who attend meetings regularly but cannot be persuaded to take an active part; they have a value and when properly approached and their talents and abilities become known can add much to the work of the Grange as well as creating a greater pleasure in the Grange for themselves by doing so.

Outstanding personalities past and present in Ulster county was presented by Pratt Boice who discussed those of the past and W. T. Hooley the present. Mr. Boice stated that it was impossible to give even a slight history of all notable persons of the past as there were so many, but named a few families including the DuBois, LeVeve, Hasbrouck, Demarest and others, all Huguenots who settled at New Paltz and

vicinity, Van Buren, Osterander, Ten Broeck and Brink families. Among the individuals named were Stephen Osterander born at Plattkill (Mr. Mann), Dec. 6, 1769, educated at the Kingston Academy and later ordained to the ministry who served as a missionary in the Mohawk valley, northern Ulster, Greene, Sullivan and Delaware counties. Others mentioned were Henry Osterander, brother of Stephen who served 75 of the 91 years of his life in the ministry; John Vandeyn and George Inness, Jr., artists; Ralph Radcliff Whitehead, and Bolton C. Brown, founders of the Woodstock art colony; Alton B. Parker, judge and farmer; William Lawson of West Hurley, operator of a blue stone quarry; Simon and William B. Pitzer, buyers of Huesstone; James Simpson of Phoenicia and Gen. Henry A. Sampson of Samsonville, operators of tanneries; John Goudy of Marlborough, designer of type; Abe Jansen of New Paltz, pioneer apple grower and several others. Mr. Hooley named Pratt Boice as a farmer, milk producer, and distributor, officer of the Ulster County Agriculture Association, 4-H Club and other organizations, banker and last but not least a father of six children; C. C. DuMont, Commissioner of Agriculture and Markets and his son, Chester H. Hooley, Knickerbocker, Senator Arthur H. Wickes, Representative J. V. LeFevre, Eugene Speicher, G. V. D. Hutton, Andrew Snyder, Rosendale, cement; Howard Lewis, Frederick Coykendall, Arthur Flemming and others.

A skit entitled "Work and Play, Plan and Pray," the theme of the service and hospitality committee, was presented by Mrs. N. W. Snyder, chairman of the committee, assisted by Miss Harriet Boice and Mrs. Doris Stevenson. The skit will be repeated at the final visitation meeting to be held at the Rosendale Grange in June. Miss Boice favored with a musical selection "Beautiful Dreamer," by Stephen Foster and "Londonery Air" as an encore. Short talks were given by W. T. Hooley, Ponona master and Worthy Masters Boice of Lake Katrine and Graham of Stone Ridge. Refreshments followed the program.

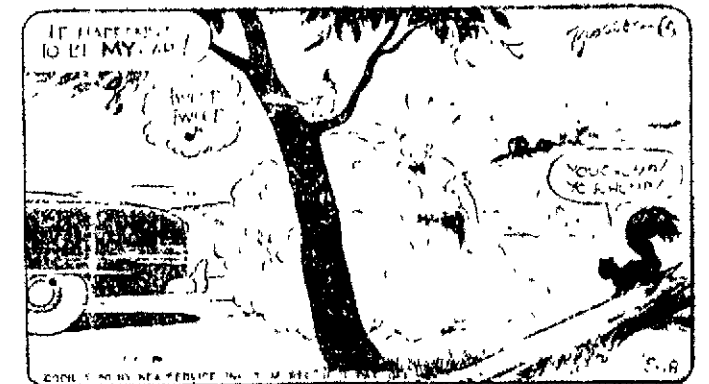

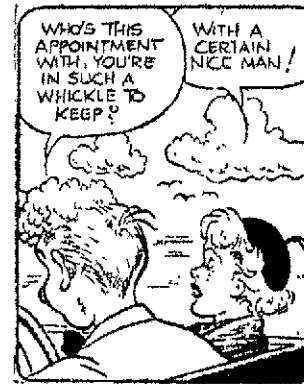

Sunday night, May 14, Rural Life Sunday was observed by Lake Katrine Grange with an appropriate service in the Grange

hall with the Rev. Frederick W. A. Sawitzky, pastor of the Plattkill and High Woods Churches in charge assisted by the choir from the church at Mt. Marion and singers from the Lake Katrine Grange. His sermon "The Seed of God's Message" was enjoyed by all present as was the special singing arranged for this service Monday night, May 15, Lake Katrine Grange entertained Honesdale Grange of Spring Glen on its annual visitation meeting, following the regular business meeting of the Grange. The Grange voted to send the collection amounting to \$15.12 collected at the Rural Life Sunday meeting to the Rural Life Institute. Mr. and Mrs. Carl Witte were named as the delegates to the State Grange meeting to be held at Elmira, in October.

Following the business meeting a memorial program was held with Mrs. Nettie Parish, chaplain of the Grange in charge. The lecturer's hour was then turned over to Mr. Hooley of Honesdale Grange who presented an interesting program based on the topic "Industries of Ulster County, Past and Present." Mr. Leroy, master of Honesdale Grange, presented a sketch of the history of Ulster county from its early history to the present time. This was followed by an outline of early industries, such as tanning, brick making, blue stone quarrying, shaving of hoop poles, glass making and other forgotten industries today. He then followed with an outline of going industries of today. One of the topics which was enjoyed, was an outline of the building and operation of the Delaware and Hudson canal, the only means at that time of conveying coal from the recently developed mines in Pennsylvania to tide water where it could be shipped to the New York markets. Refreshments were served following the program.

Grange halls are soon to have

## FRECKLES AND HIS FRIENDS

a new set of building codes which will enable us to satisfy approved laws governing places of public assembly, without incurring undue hardship, or causing excessive expense to our individual Granges. Perhaps most of the members who are fortunate in having their own meeting halls know that these places are subject to inspection, and in some cases have been forced to spend large sums of money to install seemingly unnecessary renovations, such as extra fire escapes, fire walls between kitchen and gathering place, etc.

With the passage of Chapter 448, Laws of 1935, State Grange will now be allowed to establish its own set of building codes, and we understand that our executive committee has the matter in hand, and we will soon be able to determine if our own halls stand up to what is necessary for our health and protection. It will be a good idea to assume our own responsibilities, lest we suffer from undue pressure.

We have long advocated that with the monetary investment we have in our Grange meeting

places, we should have sufficient pride to keep them in proper order.

Furners are much different folk than they used to be, and hadn't you noticed? We heard a radio quizmaster ask a lady what she could make a row. She said she'd never had to become a they used making machines now, but she could drive a tractor pretty good. That rather hollow thought that was the funniest thing I've heard of lately. Point your eyes just about the largest purchasing group in the country today, small in numbers though they may be. And that goes for everything from a chicken to a glass of beer, it's the Grange. We now have a lot of it all about our best class of churchgoers and scholarly honor winners. Don't take our word for it—just take a look around.

New project for next year has been announced by National Grange. It's a new exchange idea to bring German teen-agers into

places, we should have sufficient pride to keep them in proper order.

## Airpower Display Slated on Saturday

Kingston will get a display of airpower on Armed Forces Day, Saturday May 20, according to an announcement from the office of Lieut. Gen. Walter B. Smith in New York.

The bulletin directed to the many recruiting office in the central post office reveals that the display over Kingston is scheduled for 11:21 a. m., depending on the weather. Flights may be canceled if conditions are unfavorable.

All units of the Organized Naval Air Reserve, Floyd Bennett field will send 70 Hellcats (light-188) over Kingston, also 12 Avon-

sons (torpedo bombers). One of the features of the program at Floyd Bennett field, scheduled for 2 p. m. is a precision stunt flying by the Blue Angels. The team's intricate aerial maneuvers will be directed by the simulated shooting down of a target.

## PORT EWEN

Port Ewen, May 18.—Home Bazaar articles on display in the Town Auditorium window will be removed Friday. These articles will be shown at Achievement Day, May 25, in the municipal auditorium in Kingston. Merchants who do not wish to display their articles are requested to notify Mrs. Donald Swan.

## 'Sister Susie' Swings Into Port Ewen Hall Tomorrow Evening

"Sister Susie Swings" is the latest comedy which was enormously popular when it was presented in Woodstock, will be staged at the Town of Ewen Auditorium in Port Ewen Friday at 8 p. m. Sponsored by the official board and the Pikesville Society of the Methodist Church.

A spokesman for the sponsors reported that "Sister Susie Swings" is as lively as ever, and that the sides of the street as crowds swarmed into the Town Hall in Woodstock to see this comedy. The plot revolves about Miss Nora Nagg (played by Anna Simpkins) who manages her old-

father's home with a wicked, passionate girl in her eye. Fortunately, the old ladies played by Rhoda Klippel, Kathleen Mow, Lela Williams, Neva Shultz, Hannah Duck, Helen Mower, Louise Van Wagoner, Pauls Lapa, Margaretta Malow and Jean Harrington finally manage to get the young lady with their swing band and timely advice.

Edna DeWitt's solo dance with a broom is an outstanding feature of the play.

The Woodstock performance was for the benefit of the Chapter Order of the Eastern Star.

100,000 residents without public transportation. Although on strike against the General Power Company, the operators closed into their private auto, clearly in need and started giving free service to former trolley riders. The union announced Association of first-class trolley and let a coach employee of American A. I. and the car would run as long as the union and out supply it.

## Water Sent to Mayor

Wenatchee, May 18 (AP). A big of muddy Red river water was sent today to Mayor William C. Brown of New York City. With it went the message: "We've got millions of gallons of what you haven't got." It was an appeal by the Manitoba Flood Relief Fund for a contribution from New York.

## So They Say...

We cannot afford the luxury of cheap political posturing which destroys our confidence in our selves and in the people we have charged with the responsibility of administering our policies.

—Attorney General J. Howard McGrath

We cannot live isolated in relative wealth and abundance. We cannot ignore the urgent problems of other peoples or threats to their independence.

—President Truman

## 'Able' Meet Tonight

Members of the Veterans of Foreign Wars, American Legion, and Central Post Office will meet tonight at the Veterans of Foreign Wars hall to elect a new president.

The election will be held at the annual meeting of the late Augustus.

## Skinny men, women gain 5, 10, 15 lbs.

Get New Pep, Vim, Vigor

trols die June 30. Richard J. Gray, speaking for the A. F. of L., told the House Banking Committee that removal of rent controls would have the same effect on millions of workers as a nationwide pay cut. "If rents are decontrolled on a nationwide basis, I am absolutely certain that unions all over the country will demand an increase in wages," Gray declared.

First warship to fly the U. S. flag in the Pacific was the United States frigate Essex, on Jan. 26, 1813.

## Want More Cops For Newburgh

A proposal to increase the size of the Newburgh police department was unanimously endorsed at a recent meeting of the city council.

Councilman Archie B. Slaughter called for enlargement of the police force to cope with a rapidly growing traffic and crime problem.

Action of the council authorizes Corporation Counsel Daniel Becker to draw up a new ordinance calling for four new sergeants picked from the ranks, and their places on the department will be filled by four new patrolmen.

The cost of hiring the new patrolmen will be about \$12,000 a year, according to the Newburgh News. Part of the cost will be absorbed in the current police department budget, but a supplemental appropriation of about \$10,000 still will be required, City Manager Joseph A. Fogarty said. Finally, Councilman Slaughter agreed that the additional money would have to come from sales tax revenues.

## KRUMVILLE

Krumville, May 17.—The Ladies' Aid will meet Friday at the parsonage for the regular monthly meeting.

Through the effort of the Parent-Teacher Association the "School Go Slow" and other warning signs have been placed at the approaches to the school. They were installed by the county highway department.

Mrs. Susie Hummel called on several friends in this community last week.

Mr. and Mrs. Herbert Markle of Kingston called on Mr. Markle's sister, Mrs. Katie Davis May 8.

Mr. and Mrs. Ross Brown of Modena spent Sunday with their daughter and son-in-law, Mr. and Mrs. Raymond Markle on Acorn Hill road.

Frank Davis of the local school attended the orientation period of the Millville High School this week.

Mrs. Nicholas Collett of Astoria, I. T. spent the week-end with her daughter, Nina and parents, Mr. and Mrs. Juan Botella.

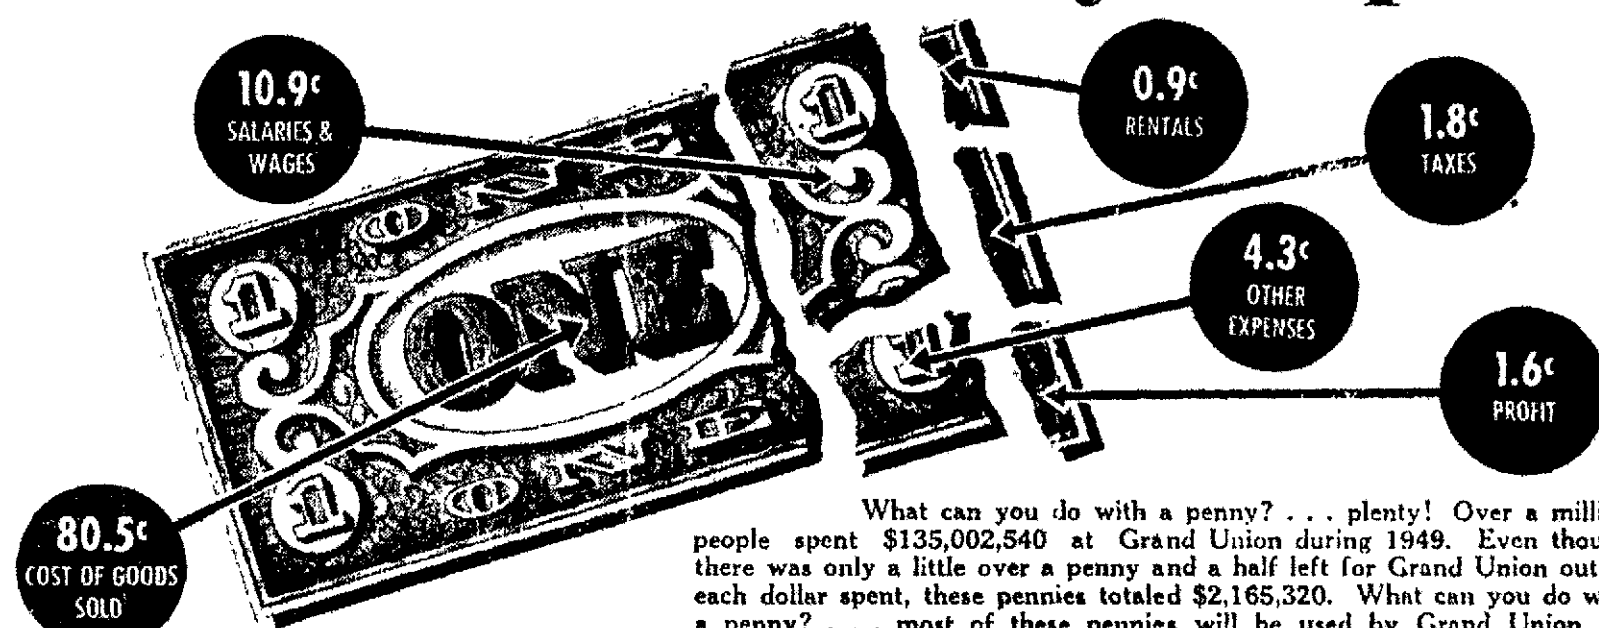

## Ascension Service Is Planned for Tonight

Announcement has been made of the special service of divine worship in the sanctuary of the Rondout Presbyterian and Wurts Street Baptist Church to be held tonight at 7:30 o'clock. The service will embrace the annual commemoration of Ascension Day and special liturgy for the blessing of the church, which convenes today in Kingston, N. Y. The local church is represented at this international assembly of the high church court by one of the clergies, John A. McCullough.

The pastor, the Rev. Dr. William C. Chalmers, will preach on the theme, "The Wonder of the Ascension," and will lead the congregation in the reading of the litany. Music for the service has been arranged by Mrs. Harry Smith, organist and director of music of the church, and will include the solo, "Hail the Day That Sees Him Rise," by Monk, to be sung by John Rich, bass of the quartet.

The public is invited to this service of divine worship.

# ONLY A PENNY AND SIX TENTHS PROFIT FOR GRAND UNION out of each dollar you spend

What can you do with a penny? . . . plenty! Over a million people spent \$135,002,540 at Grand Union during 1949. Even though there was only a little over a penny and a half left for Grand Union out of each dollar spent, these pennies totaled \$2,165,320. What can you do with a penny? . . . most of these pennies will be used by Grand Union for more improvements to give you even better service and bigger savings.

**THINGS TO REMEMBER**  
You get these 2 big extras in CLOROX!

**1 Gentler bleaching action . . . . .**  
added protection for linens! Yes, it's worth remembering that Clorox preserves precious linens, keeps them "in the family" for a long, long time. The reason is: Clorox is free from caustic, extra gentle, even on delicate fabrics. So, to conserve your white and color-fast cottons and linens, remove stains, make linens snowy-white, color-bright, remember the magic word . . . Clorox!

**2 Greater disinfecting efficiency . . . . .**  
added protection for health! Lucky folks in this house! Their bathroom is sparkling bright, hygienically-clean as well! That's because this thoughtful mother includes Clorox in her routine household cleaning. For besides removing stains, Clorox does a better job of disinfecting. Why not put this extra efficient germ killer to work protecting the health of your family? Directions on label.

CLOROX . . . AMERICA'S FAVORITE BLEACH AND HOUSEHOLD DISINFECTANT

The texture is smooth and creamy, just right to spread on meat, cheese or fish, perfect to mix in sandwich fillings or salad dressing. Don't miss this superb new mustard! Get a jar of Colman's Prepared Mustard at your dealer's today. It's sure to make a hit!

**BY THE MAKERS OF COLMAN'S FAMOUS DRY MUSTARD**

## Collar Salaries Up 3 to 6 Per Cent

York office workers' salaries generally increased three to six per cent during the past year, according to a preliminary report of Robert R. Behlow, representative of the U. S. Labor Bureau of Labor Statistics. Earnings for the large group of office workers, which includes stenographers, typists, and clerks, rose an average of \$1.50 a week in February, or about 3 1/2 per cent above the 1934 level. The average salary for office workers was \$33.50 for the month of February, compared with \$32.00 for the same month in 1934. The highest-paid group of men

studied was hand bookkeepers, at \$70.50, and the lowest was office boys at \$34. These salaries reflected increases above 1934 figures of \$1 and \$1.50 respectively. Accounting clerks averaged \$56; two other large groups of men, order clerks and general clerks performing a variety of office operations generally involving independent judgment averaged \$57.50 a week.

A comparison of average salaries in February 1935 with February 1934 reveals moderate increases of three to six per cent in weekly earnings for most occupations studied. The greatest increase was nine per cent, received by women hand bookkeepers and men payroll clerks. In money terms, most of the increases reported ranged from 50 cents to \$1.50 a week.

### Pick-Up Tint

The yellow tint of beeswax is imparted by the pollen on some of the plants visited by the bees. The wax is white if the bees are confined and fed on white sugar or dark honey.

## Today's Business Mirror

By SAM DAWSON

New York, May 18 (AP)—Sales managers in many companies are the fair-haired lads around the conference tables these days. They have placed enough orders to keep their plants going for many weeks or months ahead, in spite of growing competition.

A long list of business sales orders is reported today in a wide assortment of industries. There is a surprise or two in the list. And there are some predictions of better sales and therefore more production in the months ahead for a number of other industries. Businesses that haven't been doing so well of late join the happy sales parade, for the time being at least—like cotton textile mills and freight car builders. Some that are heading for their usual summer doldrums—as fuel oil, for example—think they'll be busier than ever next fall, and raise prices and set production goals higher.

The booming lumber, steel, rubber and paper industries say they expect good times for quite a while yet. Enough print cloths and other cotton goods—an estimated 150 million yards—has been sold in recent days in New York's Worth street to keep many cotton textile mills busy for six months.

Placed By Pennsylvania

The largest freight car order to outside builders in 25 years has just been placed by the Pennsylvania railroad. The Equitable Life Assurance Society will pay for the 10,000 cars and rent them to the railroad. The insurance company also is buying 1,300 cars to rent to the Atlantic Coast Line railroad.

Eight car orders hit a low point in 1934 (only 6,248 ordered in the entire year) but up till May 1 orders for 27,950 have been

placed this year, and the new Equitable deals will boost the year's figures still higher. Lumber dealers around the country report their sales top last year by as much as 25 per cent. Little wonder, with starts of new homes running 53 per cent ahead of last year.

The auto and home building business continue to give the glass industry record sales. Some glass companies have stepped up production. They think the auto and home building seasons will last longer this year than usual. And they are, of course, pleased that new styles in construction of both buildings and cars call for more and more glass.

Esso Standard Oil Co. is raising wholesale and retail prices of kerosene and home heating oils in the east tomorrow—ignoring the

calendar which says sales of these products should drop for a few months.

### Production Is Expected

The price boost will make increased production attractive, the company explains—they think the oil heating season will be so good that the industry should add to the quantity in storage from Maine to Louisiana at the rate of 270,000 barrels a day. And Eugene Holman, President of the parent concern, Standard Oil Co. (New Jersey), says demand for oil products will require production to be increased by more than 400,000 barrels of crude oil a day by the end of the year.

Steel production this week is expected to hit 1,931,000 tons, a new record—and steel sales managers don't have to extend themselves much to sell all of it.

Paper production is running at almost 100 per cent of rated capacity, compared with 84 per cent a year ago, the American Paper and Pulp Association reports. It

thinks the start of the summer slump will be delayed this year.

Summing it all up, the Commerce Department puts national output of all goods and services at an annual rate of \$95.1 billion in the first quarter of this year, or \$7 billion above the production in all 1934. And manufacturers' sales in March were the highest in 15 months.

### Permanent Marriages

Cotton, N. Y. (AP)—Two couples next-door neighbors in this North-east New York community, boast a total of 108 years of marriage. Mr. and Mrs. Ernest Haueroff recently celebrated their 58th wedding anniversary. On the same day, Mr. and Mrs. George Russell observed their golden wedding anniversary.

## Price-Shattering Sale! MAN'S 17-JEWEL WATER-RESIST WATCH with "INCABLOC" Shock-Absorber

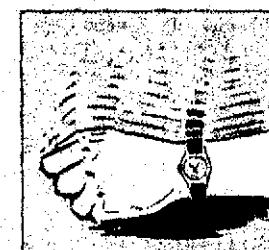

DROP IT!  
BANG IT!  
WET IT!

\$14.95 Plus 10% Fed. Tax.

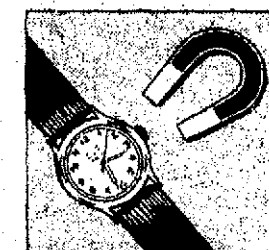

1.00 DOWN 1.00 WEEKLY

Rudolph's slashes the price of this famous-make, all-purpose watch and you pocket the savings. These wonderful 17-jewel, water-resistant watches have an "Incabloc" shock absorber that cushions jolts inside your watch. They have a case that is turnproof and dustproof, eliminating frequent cleaning and oilings, sweep second hand, radium dial face.

### SHOCK ABSORBENT

INCABLOC cushions the jolts inside your watch. Knocks and jars won't hurt it.

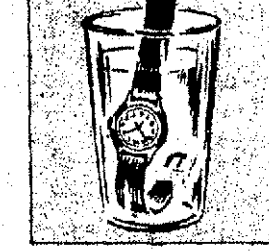

### ANTI-MAGNETIC

Completely safe to use around magnetic tools and machinery.

### UNBREAKABLE CRYSTAL

Bang it, drop it, the crystal won't shatter. Stainless steel case is extra sturdy, too.

### WATER-RESISTANT

Prevents moisture damage as long as case and crystal are intact. Also dust-resistant, eliminating repairs.

**Make Contribution**  
Columbus, O., May 18 (AP)—Children's Hospital in Columbus received a \$319 contribution, and officials said today they wouldn't feel more grateful if it was \$10,000. The money was raised by

seven youngsters, their leader a little boy crippled by infantile paralysis. It was their own idea to raise the money for the hospital, which treats polio sufferers. Nine-year-old Betty Newburger had learned how to make paper flowers out of tissue paper and

bobby pins coloring them with crayons. Her six-year-old brother, David, who has been on crutches since he was 18 months old, suggested. "Let's make the flowers and sell them. Then we can give the money to Children's Hospital." When the flowers were finished,

the children canvassed the neighborhood. Customers paid either one or two cents per flower.

**Czech's Position Debated**  
Washington, May 18 (AP)—The State Department is wrestling with the problem of what to do

about a former Czech diplomat, a Communist who has asked asylum in this country. The man, Vladimír Houdek, resigned Tuesday from his post as Czechoslovakian chief delegate to the United Nations and blasted Russia for pressure on his country. Ordinarily,

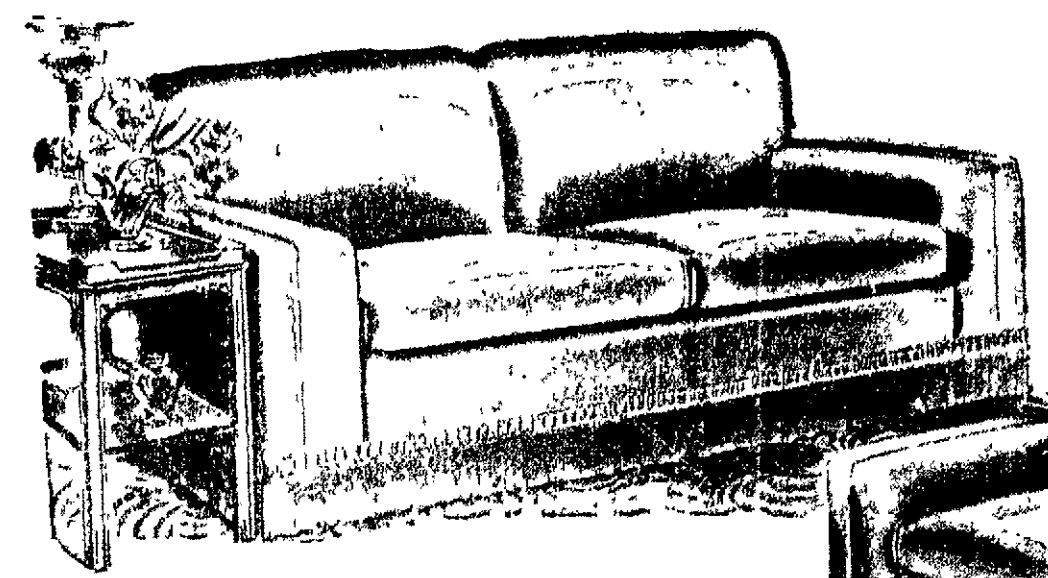

a person in such circumstances is granted asylum as a political refugee. However, there are laws against letting an alien Communist stay in this country. Anti-Communist Czech refugees here are urging that Houdek's plea be denied.

**Lawyer Is Elected**  
Atlantic City, N. J., May 18 (AP)—Wallace C. Hill, a Detroit lawyer, yesterday was elected president of the Sons of the American Revolution at its diamond jubilee

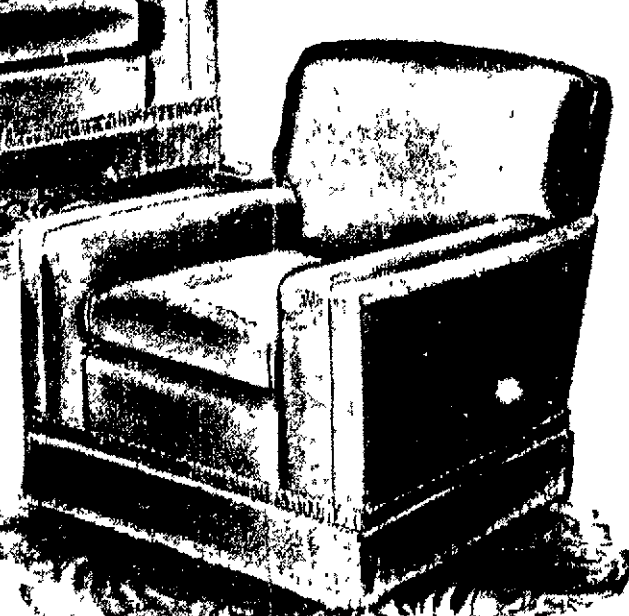

convention. Hill succeeds John L. Lingo, New York banker. He did it. Henry of Ozone Park, N. Y., won the society's national contest on Americanism. He was awarded \$250. Students

## Ship Here for Armed Forces Day

Destroyer Here  
Saturday, Sunday

Armed Forces Day, May 20, will be celebrated in Kingston by all branches of the service. The U.S.S. Newman K. Perry (DDR-883), one of the most recent destroyers built, has been ordered to this city to participate in the Armed Forces Day celebration. It will be anchored off Kingston Point.

The ship was named after Ensign Newman K. Perry, who was killed in a boiler room explosion aboard the U.S.S. Bennington in 1905. The ship was commissioned the latter part of 1945 and after a shake-down cruise, operated in the Pacific. She was one of the ships in the Task Force that participated in the Bikini atom bomb test from May to August, 1946. From September, 1947 to April, 1948, she cruised in Chinese waters. In 1949 she was transferred to the Atlantic Fleet with its home port at Newport, Rhode Island. The ship has 11 officers and 222 men.

The commanding officer of the vessel is Commander Carl Tiedeman, who was graduated from the U. S. Naval Academy in 1933. He comes from Sioux City, Iowa. Captain Tiedeman served on submarines from 1935 to 1946 and during World War 2 was in the Pacific Submarine Force, serving the greater part of his time in the Philippine and Chinese areas. He had command of the submarine Guavina and was decorated with the Navy Cross, the Silver Star and Bronze Star Medals.

The ship is due to arrive the afternoon of May 19 and will be boarded at Poughkeepsie by members of the committee who are as follows: Mayor Oscar V. Newkirk, honorary chairman; Lieut. Col. Ernest E. Steuding, representing the Army; Major Theodore R. Lee, Air Force; Lieut. Commander Herman E. Gottfried, Navy, as well as the civilian members of the committee who are: Chief Judge John T. Loughran, County Judge John M. Cashin, County Treasurer John T. Groves, District Attorney Louis Bruhn, Cluett Schantz, Chairman of the Board of Supervisors; Louis R. Netter, James A. Dwyer, Lieut. Commander Elmer Barnett, Morgan Ryan, Corporation Counsel James G. Connolly, Col. Charles H. Gaffney, President R.O.A.; Thomas Bohan, Ben Cohen, Anthony Alecca.

The ship will be opened to visitors Saturday and Sunday from 1 to 5 p. m. As part of the celebration it is believed that the Air Force will send sweeps of planes from both Mitchell and Stewart Fields over the Kingston area on Saturday.

More than 550 manufacturing concerns are located in Miami, Fla.

## NEW HURLEY

New Hurley, May 17—Howard DuBois and daughter, Mrs. Harry Quick of Libertyville were callers at the home of Mr. DuBois' sister-in-law, Mrs. Edna DuBois Friday afternoon.

Mr. and Mrs. Edward Powell were visitors in Newburgh on Wednesday afternoon. Mr. and Mrs. John C. Cocks and son, Jay of New York, spent the week-end at the home of his father, Nicholas T. Cocks.

Mrs. Earl Dewitt of Gardiner was a dinner guest of Miss Bertha Sutton Wednesday. Mr. and Mrs. Frank Dylewski entertained at a family party on Mother's Day.

Mr. and Mrs. John McGarry and family of Kingston were visitors Sunday at the home of Mrs. McGarry's parents, Mr. and Mrs. Charles Magan.

Hallock Sutton of near Walden was a caller at the home of his sisters, Mrs. Edward Powell and Miss Bertha Sutton Thursday afternoon.

A bouquet of cut flowers was among the decorations in the New Hurley Church on Mother's Day in memory of Mrs. Cordelia Vankleeck given by her son and daughter-in-law, Mr. and Mrs. Leonard Vankleeck.

The Ladies Aid Society will hold a food sale at the Florence Garage in Walkill Friday afternoon, May 26.

Sunday, May 28, "The Gideons" will be present at the New Hurley Church to present their work. Theodore Cocks of New Rochelle was a week-end guest at the home of his sister and brother-in-law, Mr. and Mrs. Valentine Garrison.

The Missionary Society was entertained Thursday at the home of Mrs. Albert Cronk. The worship service was led by Mrs. Myra Dolan. The program for the afternoon was in charge of Mrs. Gerow Wilkin the topic being "Sent Forth to Serve." Several interesting readings also were given. Response to roll call was about the home or family. During the business meeting it was voted that the annual Missionary dinner will be held in the church Thursday, June 15. Mrs. Gerow Wilkin, Mrs. Gerow Schoonmaker and Mrs. Charles Jenkins will be on the refreshment committee. Mrs. Burton Ward will have charge of the devotions and Mrs. Albert Cronk, Mrs. Clarence Spencer, Mrs. J. W. Mene and Miss Bertha Sutton will be on the reception committee. At the close of the meeting refreshments were served by the hostess, Mrs. Cronk.

The Young Women's Club was entertained May 15 in the home of Mrs. Lawrence Dolan with Mrs. Duane Dolan as the assistant hostess. Devotions were led by Mrs. Arnold Pertschmiz. The president, Mrs. Duane Dolan, presided over the business meeting. The date set for the annual church fair under the auspices of the club was set for July 26 at the church hall at Sherwood Corners. Fourteen members and one visitor were present at the meeting. The place and date for the time meeting will be announced later. Refreshments were served.

Next Sunday, May 21, Barclay Fishburn, a graduate of the New Brunswick Seminary, will conduct the service at 11 a. m. Miss Ruth Leir and Mr. Fishburn also will assist in the Sunday school. The Rev. Tyse will attend the General Synod.

## Proclamation

Mayor Oscar V. Newkirk today issued the following proclamation: ARMED FORCES DAY, 1950 A PROCLAMATION

WHEREAS the President of the United States of America has proclaimed the twentieth day of May 1950 as

ARMED FORCES DAY and has invited our Citizens to render appropriate honor to the Armed Forces of our Country THE ARMY, AIR FORCE, NAVY AND MARINE CORPS

in all their component parts teamed together in a unity of purpose for our National Defense, as well as all Veterans of the Services now honorably retired to civilian life; and

WHEREAS our Armed Forces at their several posts, fields, garrisons and stations within our shores, in our island possessions, and in our foreign zones of occupation, courageously and unselfishly ever protect and promote those sacred doctrines of Liberty upon which our Nation was founded and has grown great; and WHEREAS it is eminently fitting and proper that our gratitude and appreciation for the devotion and zeal of our Armed Forces be given concrete personal expression;

NOW, THEREFORE, I, Oscar Newkirk, Mayor of Kingston do hereby proclaim May 20, 1950, as ARMED FORCES DAY and remind the Citizens of Kingston to join their countrymen in common dedication of this day to the ARMED FORCES of the UNITED STATES OF AMERICA and to those men and women who have with high honor followed our Flag in peace and war.

OSCAR V. NEWKIRK, Mayor.

## PLATTEKILL

Plattekill, May 18—Mrs. Ella P. Christer, president of the New Jersey W.C.T.U., will be guest speaker at the spring institute of the Ulster County W.C.T.U. Friday, May 19, in the Plattekill Methodist Church. Mrs. Lillie Shultz of Kingston, president of the county union, will preside at the meeting which is scheduled to open at 10 a. m. A box lunch will be held at noon.

The Plattekill school grounds is presenting an excellent appearance by grading, rolling in preparation for liming and seeding the lawn. The work is being done by V. B. Wager and Raymond Hoppenstedt.

A group of Plattekill 4-H Club members attended the annual Ulster County Dress Revue Saturday in Kingston.

Mrs. George Sisti, Sr., and

friend attended the Federation meeting and banquet of the New York State Home Bureaus held at the Hotel Trayner in West Point Tuesday and Wednesday. Ralph Garvey was among those attending a Democratic committee meeting held recently in the Governor Clinton Hotel, Kingston.

Members of the Lake Katrine Grange were guests of the Plattekill Grange Saturday night in the visitation program.

## Forces' Strength Drops

Washington, May 17 (AP)—The strength of the armed services dropped during April to a total of 1,466,500. These figures represent full-time military personnel on continuous active duty. All branches dropped in strength during the month. The army fell 3,500 to a total of 592,404, the navy 2,400 to a total of 381,300, the marines 2,000 to 75,700 and the air force 2,200 to a total of 410,100.

**Girl Wins Award**  
New York, May 18 (AP)—Twenty-year-old Barbara Jacob of (201 West Park Avenue) New Haven, Conn., yesterday was presented a \$500 first prize poster contest award by Francis Cardinal Spellman. Miss Jacob, a student at

Marymount College, Tarrytown, N. Y., got the top prize for her entry in a contest sponsored by the Society for the Propagation of the Faith. Society officials said the competition was held to find a suitable poster for use on Mission Sunday, a world-wide Catholic celebration which takes place next October 22.

**Service Is Disrupted**  
Port Jervis, N. Y., May 18 (AP)—Water seeping into a manhole from a water-main break disrupted telephone service in most of the Port Jervis business section today. Telephone service between Port Jervis and Matamoras, Milford and Dingmans Ferry, Pa., was cut off. The break occurred on Sussex street shortly before midnight. Telephone company officials said seepage into the manhole cut out one of its cables, carrying 600 pairs of wires. Water from the break was carried off the street by the storm sewer and there was no flood.

**ONLY THE BEST INGREDIENTS ARE USED IN**  
**FLAKO**  
**PIE CRUST MIX**  
Flako contains the same ingredients—of the same fine quality—that you use—flour, baking powder, shortening and salt. But precision-mixed for your convenience and to assure perfect results always.

## WOODSTOCK NEWS

By RICHARD E. THIBAUT, JR.

**Church Bake Sale**  
Woodstock, May 18—A bake sale will be held at the Woodstock Dairies by the ladies of the Methodist Church on Saturday, May 20, beginning at 10 a. m. Those in charge will be Mrs. Everett Cashdollar, Mrs. Clyde Elwyn and Mrs. Lewis Reynolds.

**Baseball Schedule Is Announced for Month**  
Woodstock, May 18—The Woodstock recreation baseball team will play Cossackie today at 6 p. m. at the Woodstock recreation field.

Games which have been announced for the rest of the month are as follows:  
Woodstock-Old Capital Motors, at Woodstock, 2 p. m., Sunday, May 21.  
Woodstock-Athens, at Woodstock, 6 p. m., Tuesday, May 23.  
Woodstock-Ravenna, at Ravenna, 8 p. m., Sunday, May 28.  
Woodstock-Modena, at Woodstock, 2 p. m., Tuesday, May 30.  
Woodstock-Saugerties, at Woodstock, 6 p. m., Tuesday, May 30.

**To Aid Fliers**  
Woodstock, May 18—An aircraft directional sign has been placed on the roof of the Woodstock Garage. The latitude and longitude, and the direction and mileage to the Kingston-Ulster Airport appears on the west roof. The name Woodstock appears on the east roof.

**Band Practice**  
Woodstock, May 18—A number of enthusiastic Woodstockers attended the band practice of the newly-formed group last Saturday afternoon in preparation for the coming Memorial Day parade.

**Union Service**  
Woodstock, May 18—A union service will be held on Sunday, May 28, at the Methodist Church at 11 a. m. The speaker will be William MacElveen of the First Dutch Reformed Church of Kingston. Woodstock churches participating will be the Lutheran Church, the Dutch Reformed Church and the Methodist Church.

**Historical Society**  
Woodstock, May 18—The trustees of the Woodstock Historical

Society will meet on Friday, May 19, at 4 p. m., at the home of Mrs. Margaret Kenyon to discuss plans for the coming season.

**Village Notes**  
Woodstock, May 18—Mrs. Nancy Schoonmaker gave the second in a series of six lectures at her home on Wednesday afternoon before a group of 20 women.

Mrs. Cornelius Sewell, Sr., of Rye, spent a few days with her son and daughter-in-law, Mr. and Mrs. Cornelius V. V. Sewell. Samuel Hand, son of Mr. and Mrs. William Hand, will return to Woodstock from New York University on May 26.

Jane Burc has returned to her home on the Bearsville road. Mrs. Grant B. Elwyn and her daughter, Mary Elizabeth, will spend four days in Kingston at the home of her father, Charles O'Connor who is visiting his other daughter, Mrs. Warren Ingalsbe, of Dansville, Pa.

Miss Doris Vogel, daughter of Mrs. William Vogel, will return to her home on Thursday after an operation at the Kingston Hospital.

**Fast Growth**  
Henry Bach of Wittenberg reported to Grant Elwyn at the Town Hall that he had seen a family of bears near the home of Elmer Glazier of Wittenberg. He said that there were two large bears and two cubs.

"Please settle an argument for us," pleads a Pittsburgh reader. "We climbed up to a slam with this hand, as you can see by the bidding. We didn't make the slam, because West opened a diamond, and East took the first two tricks. I said that North had no right to carry the bidding single-handed to a slam. North said the slam would have been a cinch if I had held three aces, the king of diamonds instead of the queen of diamonds with my actual hand, or even if the missing ace had been the ace of clubs rather than the ace of diamonds. He said also that even with the actual hand I would have made the slam if West had opened a club instead of a diamond. "North claims that because of all these considerations, the slam contract is reasonably sound. I made a number of statements in reply, chiefly to the effect that we had actually gone down and that I couldn't see the logic in bidding a slam when the opponents could and did take the first two tricks against us. "Who is right?"

I must take the traditional peacemaker's attitude that there is a certain amount of right on both sides. It isn't fair to judge a hand completely by the results. If you did, you'd have to say that North's bidding was excellent if West opened a club, but that North's bidding was terrible if West opened a diamond.

Instead of bidding four no trump, North should have jumped to four hearts. By the jump to two spades, he had already shown a very powerful hand. By jumping to four hearts at his second opportunity, North would show his excellent support for that suit. It would then be up to South to try for slam if his hand happened to be strong enough.

Obviously, South would bid a slam by himself if he held three aces. Likewise, if South had two aces and the king of diamonds, he should bid the slam for himself. He could be quite sure that his partner had at least one ace for the jump takeout and a strong raise in hearts.

In short, North should not have bid the slam himself. He should have left his story and then left it up to South to decide whether or not he wanted to be in a slam.

## Romania Makes Demand

London, May 18 (AP)—Romania has become the latest Soviet satellite to demand that the United States cut its diplomatic staff within the country. Dispatches from Bucharest today said the Communist-led Romanian government had accused U. S. diplomats there of spying and demanded that the legation staff be reduced to 10 members. Last month the Czechoslovak government demanded that the U. S. legation staff in Prague be cut by two-thirds. Washington countered with an order for a similar reduction of Czech personnel in the United States.

Officials Hope Some  
Changes Will Come

Washington, May 18 (AP)—American officials expressed hope today a \$125,000,000 credit to Argentina will persuade President Peron to grant more civil liberties in his country. The loan announced yesterday by the Export-Import Bank was labeled as strictly a business proposition to improve trade between the two countries.

But these authorities said it may also improve chances that the Argentine chief of state will institute some of the political reforms the United States would like to see. President Herbert E. Cagion of the Export-Import Bank said the main purpose of the credit is to enable Argentina to repay a backlog of commercial debts owed for over a year to American exporters.

## New Service Is Started

New York, May 18 (AP)—An emergency medical service has started on Staten Island to make general practitioners available on a 24-hour basis for persons who cannot get their own family doctors. Plans tentatively have been set for expanding the service to the other four boroughs of New York city. Biggest hitch in the spread of the plan is in Manhattan where there is difficulty in getting physicians to make night calls in areas where street disorders are common. In the Staten Island plan 31 physicians under the supervision of the Richmond County Medical Society will be at the call of the borough's 200,000 residents. The Staten Island emergency service is patterned after plans that have proved successful in 22 counties throughout the nation. It provides for the payment of \$5 for calls made before midnight and \$6 between midnight and 8 a. m.

French Demanding  
Stiff Penalties for  
Mistreating Young

By SERGE MAURI

Paris, May 18 (AP)—A wave of crimes against children is spurring French public opinion to demand heavier sentences for parents and guardians who ill-treat or neglect their young charges.

A bill introduced in the upper house of the French Parliament provides increased penalties, in some cases even death, for the guilty. Minister of Justice Rene Mayer has sent out an order to all local judicial authorities, urging them to react with "extreme vigor" in such cases.

Meanwhile, newspapers over the country daily report more cases of "child martyrs" and are inundated with indignant letters from the public.

The crime which contributed most to stir public opinion was the murder of little Alain Lavenex, three and a half, of Forges-les-Eaux. The child died following a beating with a strap, administered by his father, a 23-year-old factory hand.

A man who kicked his 11-year-old son in the stomach, then threw him into a river. The child recovered in the cold water, called for help, but was left to drown.

A drunken minor threatened his daughters, aged 10 and 11, with a red hot poker to make them admit

How To Hold  
FALSETEETH

## More Firmly In Place

Do your false teeth annoy and cause you to spit, drool or wobble when you eat, laugh or talk? Just sprinkle a little FASTEETH on your plates. This alkaline (non-acid) powder holds false teeth more firmly and more comfortably. No gummy, sticky taste or feeling. Does not sour. Checks "plata odor" (denture breath). Get FASTEETH today at any drug store.

a fault, beat them and tore their hair out.

A couple, accused of spending their state-supplied family allowances on drink, beat their three children and threw them out in the night. Neighbors had to shelter them.

A 15-year-old boy was chained by his right foot in an attic. His stepfather said he kept the boy on a chain "because he was a thief."

A factory hand threw forks in the face of his 12-year-old son and wounded him in the leg with a knife.

Reasons given for cruelty ranged from the father who beat his son with a strap across the face for having bad school reports to another who chased his boy with a hatchet "because he didn't like children."

Present child protection laws

provide maximum penalties of from one to three years for ill-treatment of children under 15 years, but the sentence may be raised to five years in specially grave cases. The death penalty can be imposed only when it is proved that there was deliberate intent to kill.

The state child welfare program takes charge of many of the "martyred" children, along with orphanages and foundlings. At present this service has a total of 18,000 child charges on its books. This is an increase of about 2,500 over 1938.

Despite the current indignation, most Frenchmen are not against spanking naughty children. In many French families the "martinet" (a small strap) is still the most respected symbol of parental authority.

## Anglo Crewmen Released

Tel Aviv, Israel, May 18 (AP)—Eight crewmen of a British flying boat, forced down yesterday by Israeli fighter planes, have been released after questioning. The pilot of the four-engined Royal Air Force Sunderland—on route from Bahrain in the Persian Gulf to the Suez Canal Zone—said he was flying outside the prescribed

air corridor because of a navigational error. Israeli fighters fired a warning burst across the big craft's nose and forced it to land on the sea here. Israeli sources said they considered the incident closed.

## Mrs. Squire Is Elected

Rochester, N. Y., May 18 (AP)—Mrs. Dorothy D. Squire of West Hamstead was elected secretary of the New York State Woman's Assembly yesterday at the organization's 31st annual convention.

## Meat Prices Begin To Level Off for First Since April

Retail pork prices rose four cents a pound in many stores this week. But beef and lamb were higher only in scattered areas, and there were signs that all meat prices were beginning to level off for the first time since about mid-April.

The steam went out of the weeks-long upward movement as wholesale meat quotations turned irregular and then tipped downward on some cuts this week. Some large-volume chain store retailers said the consumer demand which had helped prices to rise since March seasonally had eased somewhat. These sources forecast small price declines on the way as warmer weather spread across the country.

Lighter weight chickens advanced one to four cents a pound in some places as food shoppers switched to poultry to avoid the rising meat prices. A spokesman for the poultry and egg National Board said this advance was probably only temporary, however, because a period of heavy supply lies within the next two or three weeks. He pointed to Agriculture Department figures showing that chick placements in broiler production areas were at a record high in the early weeks of March. It's these chickens which will be coming to market beginning about the end of this month.

**Eggs Drop Some**  
Egg prices edged a little lower, reflecting high production. Farm flocks laid nearly 5,000,000,000 eggs in April, almost 5 per cent more than the year-ago month and 4 per cent above the 1939-48 average. However, federal price-support buying was up, also. Through mid-May the government acquired about 42,000,000 pounds of dried eggs equal to 1,500,000,000 fresh eggs. In the same period last year the price-

## 'Peace Treaty With the Indians'

An original play entitled "A Peace Treaty With the Indians" recently was presented to the assembly at School No. 4. The story of the settlement of Manhattan Island from the time Peter Minuit bought the island from the Indians until its surrender to the English was given by Elsie Netherwood.

The play portrayed the difficult time Peter Stuyvesant had trying to keep peace with the Indians. A mural painted by a group of seventh-grade pupils formed a setting for the stage. The last scene in the play centered around the story of the mural, which was Peter Stuyvesant making a peace treaty with the Indians.

The following actors were the pupils who wrote the play: Peter Stuyvesant, James Nerone; other settlers, Anthony Amato, Robert Oberkirch, Jacob Senor; Chief, Thunder Cloud, Robert Post; other Algonquin Indians, Frank Davis and Robert Hart.

In conjunction with this social studies project, the class made and designed Indian pottery, which was displayed in the assembly. (Freeman Photo)

proppers took around 39,000,000-40,000 pounds.

Unfavorably dry or hot weather in important growing areas of the south damaged several vegetables and resulted in somewhat higher prices this week for snap beans, bunch beets, cabbage and cucumbers. Peas also were higher. Asparagus, celery, spinach and strawberries were a little lower.

The first summer varieties of squash from the Carolinas reached northern big-city markets this week, along with the first Virginia cabbage and strawberries. Cantaloupe prices were working slowly downward as shipments from Texas and California gained volume.

**Tin Coffee Prices**  
The Great Atlantic & Pacific Tea Co. trimmed one of its own bag-packed brands of coffee three cents a pound and another two cents, following similar cuts by other chains and several roasters of major vacuum-packed brands last week.

A leading New York coffee im-

porter, Angus Mackey, told a Senate Agriculture subcommittee that coffee consumption has fallen 20 to 30 per cent since the beginning of the year. He said he's convinced coffee-producing countries do not realize the force of consumer buying resistance to high prices here.

At Chicago, Edwin T. Gibson, executive vice president of General Foods Corp., called the present demand for frozen foods the result of "one of the most extensive and effective educational campaigns in American business enterprise." He told the Super Market Institute convention that because of this campaign stressing freshness, the economy aspects of out-of-season periods and convenience of use, frozen foods now are sold in 200,000 stores compared with 3,000 in 1938.

There are now 1,049 frozen food packages compared with three in the early 1930's, and well over 200,000 freezer cabinets in retail stores compared with 15 in 1930, he said.

## ESOPUS

Esopus, May 18—Robert House has returned to his home after spending several weeks in the Benedictine Hospital in Kingston.

Mr. and Mrs. Milton Hooper and son, William and Mrs. Ada Hooper were Sunday guests of Mr. and Mrs. Nelson Hooper and children, Richard, Ronald and Carol.

Mr. and Mrs. John Lancer and son, Frank, were host to Mr. and Mrs. Walter Lancer during the week-end. On Sunday they enjoyed dinner at MacFarland's Restaurant in West Park.

The second annual communion breakfast was given in honor of the mothers by the Sacred Heart Church at Broglio's Sunday. The principal speaker was the Rev. William Green, rector of Mt. St. Alphonsus.

Mr. and Mrs. Harold E. Jones and daughter of Hyde Park and

## Howell Says God Alone Can Make Murky Weather

New York, May 18 (AP)—New York city's rainmaker says "only God can bring the clouds." So don't blame him for bad weather outside the Catskill watershed.

It has been raining a lot in New York city and the metropolitan area. Many people are complaining and pointing a wet finger at city rainmaker Dr. Wallace E. Howell.

Howell and Ernest J. Christie, meteorologist in charge of the U. S. Weather Bureau here, held a news conference yesterday. If rainmaking experiments influenced the weather, Howell said, "we do know certainly it was restricted to the Catskills and the immediate vicinity."

He said he was "pretty darn sure" no connection existed between the rainmaking project and weather conditions in New York city, New Jersey, Westchester county and nearby Connecticut.

Howell said he would take credit for the rain if he could. His reluctance to assume credit for rainfall in the watershed area, he said, was not designed to protect him from "legal measures" or "to safeguard our position."

Howell is going to make a speech in Poughkeepsie next Monday before the Hudson valley division of the American Society of Electrical Engineers. He said he would try to "set the record straight" for upstate farmers and resort residents.

Christie also discounted the idea that rainmaking experiments have affected weather in the city and surrounding areas.

Rain could not be made if rain clouds did not exist, he said. That's what Howell chimed in with, "only God can bring the clouds."

## Lie Declares Stalin Is Hale and Hearty

Moscow, May 18 (AP)—United Nations Secretary-General Trygve Lie says Prime Minister Stalin is hale and hearty. Lie, who talked with Stalin for an hour and a half on Monday, told reporters the generalissimo "was as healthy and lively as he was in 1946."

"All these rumors about his health are lies and false," Lie said. "Maybe they are wishful thinking on the part of some people."

Lie last talked to the Russian leader when he was in Moscow four years ago.

The U. N. official, who has been conferring with Soviet officials for the past week, leaves Friday for Prague, Paris, London and New York.

## Rita to Quit Hollywood

Hollywood, May 18 (AP)—Rita Hayworth is cutting her ties with Hollywood. Charles T. Spencer, representative of the actress and her husband, Aly Khan, says she is selling her home and furniture here and that this indicates she is not planning "to return here at the near future."

## ALWAYS BAKES JUST RIGHT

## CUPLETS' CUP CAKE MIX

Cuplets' precision blend of finest ingredients gives light and tender cup cakes or one nine inch layer at every baking. Easy, too. Just add an egg and milk, and bake.

## Customers' Corner...

Since the well-trust law-ryers filed their suit to put A&P out of business, three interesting things have happened:

1. Many thousands of our customers have written letters expressing their opposition to this suit.
2. Public opinion polls reveal that most Americans are on our side.
3. Our business has increased. More people are shopping at A&P than ever before.

All these things indicate that our customers have confidence in the policies of fair, honest dealing which have guided this company for the past 80 years.

We want to do everything we can to merit your continued support. Please send your suggestions to:

Customer Relations Dept.,  
A&P Food Stores,

# MRS. FILBERT PAYS YOU 40¢

if you don't agree her new egg-rich  
mayonnaise is the finest you ever tasted!

Mrs. Filbert makes her mayonnaise in small batches, the way you would. It's her own recipe!

2 She beats in extra egg yolks. Tastes fresh off the eggbeater! Rich! Delicate!

3 She adds fresh lemon juice, and extra-whips her mayonnaise till it's creamy-smooth!

## Mrs. Filbert Saves You Money!

• She gives you premium coupons on every jar—good for china, linens, silver, kitchenware!

• She gives you a grand new mason-type jar, perfect for home-canning, leftovers, food storage!

## MRS. FILBERT'S BUFFET SALAD

(Make it the day before your party)

1. Toss a can of tomato soup (with 2 tablespoons of finely chopped onions, if you like them)
2. Add 1 envelope of unflavored gelatin dissolved in 1/2 cup of cold water, and 1 cup of cottage cheese. MIX THOROUGHLY.
3. Chill in refrigerator until slightly jelled.
4. Add 1/2 cup Mrs. Filbert's Mayonnaise, 1/2 cup chopped celery, 1/2 cup chopped stuffed olives. MIX VERY THOROUGHLY.
5. Chill in oiled mold for at least 7 hours—preferably overnight.
6. Serve with your favorite fixin's—coleslaw, lettuce or other salad greens. Garnish generously with Mrs. Filbert's delicious Mayonnaise.

Mrs. Filbert  
President

Yes! Mrs. Filbert knows what women want in mayonnaise flavor—she's a housewife herself! And now she's given her delicious homestyle mayonnaise two grand new extras:

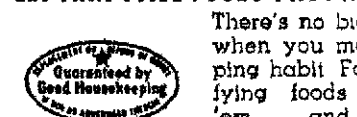

1. Premium coupons on every jar.
2. Re-usable mason-type jar—perfect for home-canning.

Buy a jar of Mrs. Filbert's today. Treat your family to the mayonnaise a woman makes! If you don't honestly agree Mrs. Filbert's new egg-rich mayonnaise is the finest you can buy, that it really tastes homemade, just mail her a note with your reasons and the jar label. She'll send you 40¢. One payment per family. Offer expires 30 days from date of publication. J. H. Filbert, Inc., Baltimore Md.

# MRS. FILBERT'S MAYONNAISE

ONLY A WOMAN COULD MAKE IT TASTE SO GOOD!

## Same Company Low Bidder on Borings

The Giles Drilling Co. of New York, which made test borings in the Kingston Point area some time ago, was low bidder on proposed new borings for a bridge over the Hudson river about three miles above the former site, the New York Bridge Authority announced today.

The New York company bid \$10,533, and the next lowest was Sprague & Howland, Scranton, Pa., at \$12,021.

The other two bids received

were from Warren George, New York city, at \$12,260 and a Massachusetts firm, Silveri Drilling Co., at \$18,060.

Formal acceptance of the bid is expected to be announced later. The low bid will undoubtedly be approved because of the former record of the company here, it was indicated.

The bids were opened in the authority's office here at 2 p. m. yesterday.

Colorado has 11 national forests and one state forest. Fees from grazing of cattle and sheep on their ranges comprise the largest item in national forest receipts.

## Rafalowsky Store Will Be Viewed; Sales Start Friday

Herman G. Rafalowsky's new clothing store at 71 Albany avenue will be open for public inspection tonight from 6:30 to 10 o'clock.

Rafalowsky has extended to his customers and the public in general an invitation to inspect the new store, heralded as the most modern in this area, this evening. Actual start of business in the new location, however, will be at 9 a. m. tomorrow.

The building is of one-story brick construction, with basement under the rear section. The front is of glass and tile construction with three store fronts, two of which will be rented.

The interior of the Rafalowsky store presents a clean, cool, uncluttered appearance. High ceiling with a 14-foot indirectly lighted dome and differing patterns of wallpaper on the sides characterizes the store. Modern showcases and display tables are of pickled oak in natural finish. An intricate lighting system of

fluorescent lights, spots and indirect lighting, as well as specially lighted showcases allow a variety of effects to be created.

Storage of shoes and other stock, and the offices, are located in the rear portion, keeping the hustle of those departments out of view from the customers. The result is a quiet, unhurried atmosphere in which to shop.

The building was designed by Architect Augustus R. Schrowang after he and Mr. and Mrs. Rafalowsky spent much time in inspecting other modern buildings and determining upon the features to be included.

Rafalowsky has been in the men's wear retailing business in central Kingston since 1914. The past 27 years he conducted his business from 564 Broadway. He was forced to move from that location this year to make way for the Broadway railroad crossing elimination project.

The new store is on Albany avenue facing Broadway, adjacent to the Empire Market.

Special ceremonies have been scheduled for the pre-opening inspection tonight. Mayor Oscar V. Newkirk has been invited to cut the ribbon which will officially open the new store at 6:30 p. m. today, and a radio broadcast has been arranged. In addition to city officials, guests invited to the opening ceremonies include manufacturers' representatives and reporters for trade magazines and newspapers.

## Vassar Senior, 22

Identify the acquaintance who spotted the girl in the restaurant.

No visitors were permitted at the home today. Miss Lindabury, due to graduate from Vassar next month, was en route to her home in Princeton when she disappeared. A fellow student reported seeing her aboard a New York bound train that morning, and another student saw her in New York's Grand Central Station after the train reached New York.

That afternoon she checked a fur coat in a fur storage shop. Police sent out an eight-state teletype alarm in their search for her.

The young woman had been majoring in comparative literature at Vassar and planned to visit Europe this summer. She hoped to become an interpreter. She is vice president of the Italian Club, and a member of the Home C. C., part of the student government, at her college residence.

## Lasting Command

They will be used only as expendable bases in the event of Russian armed aggression.

They were told the west must adopt a bold strategy of strength, of winning Russian respect by a display of power.

If war comes, however, the idea is for the west to strike eastward as swiftly as possible in a bid to save western Europe from being conquered.

One American delegate to the meeting said its results have been "very satisfactory." Apparently it was a diplomatic victory for U. S. Secretary of State Acheson, who came to Europe with a feeling that speed and determination are necessary to save the west.

The Americans want the new organization to inspire confidence in their European allies, and to encourage them toward greater efforts in industrial production and economic recovery.

**New Headaches**  
Washington, May 18 (AP)—New reorganization headaches piled up today for President Truman's Senate forces, already four-time losers in effort to ward off attacks on his plans for revising federal agencies. Senator Holland (D-Fla.) disclosed that he might call up for a vote during the day a resolution to kill the controversial plan giving the secretary of agriculture power to reorganize his department. And Senator Edwin C. Johnson (D-Colo.), who has led successful fights against two administration reorganization plans, indicated he might ask the Senate to disapprove two more, affecting the Federal Trade and Power Commissions. Another plan calling for changes in the Labor Department was up for action in the House.

**Tribute Is Planned**  
Chicago, May 18 (AP)—All of Chicago's street cars, elevated trains and buses under operation of the Chicago Transit Authority will be halted for one minute at 2 p. m. today in a tribute to a dead labor leader. The one-minute cessation will coincide with the beginning of funeral services for Joseph J. Kehoe, president of Division 241, of the Street Car Men's Union, and nationally known A.F.L. leader. The tribute was authorized by the C.T.A. board. Kehoe, 68, died Monday.

## Local Trade Unions Not In on Rally

Local unions have no part in a proposed labor rally to be conducted in Poughkeepsie.

This was announced today by a spokesman for Ulster county tradesmen, who chose to remain unidentified.

He said the rally was strictly a Poughkeepsie promotion as far as he knew, and intimated that organizations in Dutchess county were giving strong backing to the movement.

The Kingston union member was queried on the rally after local business men said they had been invited to contribute to a fund to promote it.

## Nursery Items Are Sought by Welfare

It was announced today that the Ulster County Welfare Department is in need of several items to help families in distress. Crabs for infants lead the list of articles, and others are nursery furniture, high chairs and strollers.

Anybody having any of the items in good condition may phone the welfare department at 4715 and they will be called for.

## Station Play Is

stationed here with the U. S. Army.

The voices of the cast rang clearly from the open stage into the huge covered theatre. No microphones or other mechanical aids were used.

The play which lasts from 8:30 a. m. until 6 p. m., opened with a prologue read by Alois Lang, who played Christ in the last Oberammergau play.

Now gray haired, Lang wore a golden robe. He was accompanied by a gray-robed choir of 50 men and women lined up across the 60-yard wide stage.

As they filed from the stage the curtain fell back revealing a street scene in Jerusalem. Hundreds of inhabitants strolled into view. They were clad in a colorful array of red, blue, green and yellow costumes.

Among them were the children of the town, barefooted despite the early morning chill.

Got No Haircuts  
Both the men and boys in the cast had gone without haircuts for a year to obtain a biblical appearance.

ance with hair falling to their shoulders.

As Christ stepped into the mill-

ing scene his first words were: "What do I see here? Is this the house of God? Or is it the market place?"

The stage crowd muttered angrily. But the children, undaunted by their first stage appearance shout-

ed "hosannas" in loud clear voices that echoed through the amphitheatre.

Christ then added the words: "I came to seek and to save the lost."

France Plans Father's Day

Paris (AP)—France will celebrate Father's Day on June 18, the same day as in the United States.

Sponsored by a group of French Traditions Committee, the day already has been celebrated in France and Italy.

Day in France and Italy, June 18, June 19.

### Russian Youth Would Fight Anyone

Seeking to Free Him, Speaker Declares

Zygmunt Nagorski, Polish former newspaperman and paratrooper, told a dinner club audience last night that "only one thing could change the closed minds of the youth of Russia and that was 'to see how you live.'" Describing in detail the education and indoctrination of Russian children, and putting on mock "trial" a hypothetical Russian 22-year-old who had informed upon his father, Mr. Nagorski said: "If you would place your own children at the age of three in the hands of his teachers, they would probably be ready to do the same thing at his age."

Formerly a member of the Polish government-in-exile, and chief of the Polish News Agency, which operated from Scotland, Mr. Nagorski said Americans were unable to understand "the new man who is coming out of the East" because his attitudes are so different.

The hypothetical youth, Peter, whom he had on trial before his audience, was so indoctrinated that "he would fight anyone who would open the door and let him free," Mr. Nagorski declared. For him, the outside world is made up of people who first "want to exploit him, to the limit and then to kill him."

At the age of three, Peter was put into a nursery school whose walls were covered with slogans. "At this moment, the boy's political education started," Mr. Nagorski said, quoting from the official Soviet guide for kindergarten teachers which said "love of the Communist party" and its leaders, and the Red army should begin at that time.

The speaker followed the boy through his schooling, and through the abrupt changes in the slogans which took place periodically. At the age of eight, the boy joined the "Little Octobrists" and at the age of 11 the "Red Pioneers." His contact with his parents was virtually non-existent.

At the age of 14 the boy was conscripted among 700,000 to 1,000,000 others and was sent to a special vocational school for two years. Then, because he was quick to learn, he was sent to school for another two years with a group of young people from whom the future leaders of the nation would be chosen.

On a sight-seeing tour once, he saw the statue of "The Soviet Union's Youngest Hero"—a seven-year-old boy who informed upon his father and was beaten to death.

Speaking alternately in the roles of prosecution, defense, and judge, Mr. Nagorski finally left it up to his audience, as "ladies and gentlemen of the jury" whether the boy or the system or both should be found guilty of crimes against humanity. "There are two ways of getting out of the whole mess which is the world today," he declared. Americans can either "send this boy to prison" and then be faced with millions of his fellows "when the iron curtain is destroyed, as it must be one day" or they can "take the responsibility to show him the light," bring him a positive ideology—and do the same with the millions of others.

### Practical Nurses Will Hear Reports From Convention

Reports from the convention of the National Association of Licensed Practical Nurses held in New York city will be presented at a meeting of the Ulster County Unit of the Association at the Governor Clinton Hotel tonight at 8 o'clock. All licensed practical nurses were urged to attend.

The convention, marking the 10th anniversary of the association, was marked by the announcement of a definite increase in membership.

Dr. Marcus D. Kogel, commissioner of hospitals, told the nurses that improved training and professional standards were of vital importance.

Speakers pointed out that insurance statistics show that the average age level in this country is advancing, a fact which spotlights the need for increased knowledge of modern methods in nursing technique.

At the meetings were representatives of 13 states and Hawaii.

### CARD PARTY

Amples Ladies' Auxiliary of

EXCELSIOR HOSE CO.

to be held at

**HOLY CROSS HALL**

PINE GROVE AVE.

**WEDNESDAY, May 24**

8 P. M.

Refreshments will be served.

### Pianist-Composer Will Give Recital At Bard College

Annandale-on-Hudson, N. Y., May 15 — Paul Nordoff, pianist and composer, will give a concert at Bard College tonight at 8:30 o'clock. His program will include the "Third Sonata for Piano" by Hindemith and composition by Debussy, Ravel, Falla, and Mompou.

Mr. Nordoff, assistant professor of Music at Bard College, studied at the Philadelphia Conservatory of Music and at the Juilliard Graduate School. He has also been a pupil of Olga Samaroff Stokowski in piano and of Rubin Goldmark in composition.

### Card Parties

Creek Locks Mothers

The monthly card party of the Creek Locks Mothers' Club will be held Tuesday, May 23, instead of the last Tuesday of the month, which falls on Memorial Day. Games begin at 8 p. m. at the school house. Refreshments will be served.

St. Peter's Mothers

A card party under the auspices of the St. Peter's Mothers' Guild will be held Saturday at 2 p. m. at the St. Peter's School Hall, Adams street. The public is invited. Refreshments will be served.

### Club Notices

A. O. H. Auxiliary

The Ladies' Auxiliary of A. O. H. division five, will hold its regular meeting tonight at 8 o'clock in the Knights of Columbus Hall. Mrs. Walter Geisel will be the hostess.

Kingston Hospital Auxiliary

The Kingston Hospital Auxiliary announced today that its meeting Tuesday would be held in the library of the city laboratory instead of the nurses home as usual.

**Nursery School Plans**  
Summer Camp at Lake  
The Parent Teacher Association of the Kingston Cooperative Nursery School announced today that a summer camp would be held for eight weeks, beginning in July at Spring Lake. The hours will be from 1 to 5 p. m., Monday through Friday, and transportation is provided.

The group sponsored a summer camp last year, and is repeating the project because of parents' interest.  
The children will be under the supervision of Mrs. Beatrice Jaffee, a trained kindergarten teacher, who will be assisted by two trained counselors. Information may be obtained from Mrs. Charles Forst, telephone 5410. The school, now operating at 48 Post street, is non-sectarian.

## Rev. C. W. Christman Addresses St. James W.S.C.S. Gathering

The Rev. C. Wesley Christman of Saugerties told a meeting of the W.S.C.S. of the St. James Methodist Church yesterday that the church should study trends in community life and determine what youth wants.

Reviewing the book "Missions at the Grass Roots," Mr. Christman discussed the part the church should play in meeting the needs of the people, and listed ways of meeting these needs. He also gave six basic needs of the church, and urged the study of child labor laws in New York state. These laws are not yet efficient in controlling agricultural projects, he said.

The executive board of the W.S.C.S. met at 10 a. m., followed by the Study Group at 11, which featured Mr. Christman's talk. Mrs. Floyd Rich gave the closing prayer.

Hostesses at the noon luncheon were Mrs. Frank Warren and Mrs. Isaac Lawrence.

During the News Flashes period, Mrs. Thomas Reynolds reported on the New York Conference at St. Andrew and St. Paul's, to which she was a delegate. She told of the speech of Mrs. Ruth Brown Rolde, who was present at the birth of the United Nations. Mrs. Rolde declared that the U.N. would only be as great as the people's faith in it. Mrs. Reynolds said Miss Hila Waters was transferring from China to Africa in her missionary work on June 1. Mrs. John Ennis said the Training Institute for teachers and officers, to be held July 25 to 27 at Drew Seminary, Carmel, would be a splendid opportunity for 125 women, the quota.

At the close of the business session, Mrs. Marjorie Heidecamp presented the slate of officers for 1930-31, and Miss Maurine Hager, director of religious education, took over the installation service.

The new officers and project leaders are:  
President, Mrs. Thomas J. Reynolds; vice president, Mrs. Odell Black; recording secretary, Mrs. James Locke; promotional secretary, Mrs. Harry Reppert; treasurer, Mrs. Theron Culver; spiritual life, Mrs. Casper Gunther; missionary education and service, Mrs. James Guttridge; student work, Mrs. Clifford Smith; youth work, Mrs. Ralph Harper; children's work, Mrs. Joseph McInerney; supply work, Mrs. Elwood Ackery; literature and publications, Mrs. Robert Flaxley; status of women, Mrs. John MacKinnon.

At the close of the installation service the retiring president, Mrs. Fred Decker, with a pin on behalf of the society in recognition of her work, Mrs. Reynolds closed with a speech of acceptance and an affirmation of faith.

## Dutch Fair Opens As Sky Threatens; Ready to Go Indoors

The Old Dutch Tulp Fair opened today under threatening skies but with a festive spirit and the assurance that the rain-maker would hold off his art for today at least.

(It wasn't consideration for the fair, however, which moved him. The state is conducting a traffic survey for the thruway project.)

The fair, featuring a Dutch Village on the Pearl street grounds, between Wall and Fair streets, was opened by Dr. N. A. C. Sijmemaker de Bruine, cultural counsel of the Netherlands Embassy in Washington.

If nature, unassisted, should provide a downpour for the occasion, the fair officials were prepared to move into the Church House at 32 Main street. Dr. de Bruine will make his address tonight at 8 p. m., on the grounds. It is not raining. In the Church House, if it is.

Dr. de Bruine, who has a Ph.D. degree from Groningen University, Holland, has served as counsel in the Netherlands Indies and managing director of the Netherlands News Agency (A.N.E.T.A.) at Batavia. In 1941 he became director of the Netherlands Government Information Services in the Western Hemisphere with headquarters in New York. Later he was promoted to his present position in Washington, counselor for public relations and cultural affairs for the embassy.

His address tonight is without charge and the public is invited.

## Personal Notes

Miss Helen Ward, daughter of Mr. and Mrs. Edward F. Ward, 97 Clifton avenue, will be the soprano soloist for the oratorio "Elijah" to be presented at Cortland State Teachers College May 26. A graduate of the college, Miss Ward is now teaching in the Bahamas. "Requiem" presented last May by the combined college glee clubs. She has presented many programs in Cortland and was soloist with the Women's Ensemble.

Dr. and Mrs. Harold Newman, 22 Suyvesant street, are receiving congratulations on the birth of a daughter, Jinne Sue, born May 3 at the Kingston Hospital. Anthony Hummel, son of J. A. Hummel, and a junior in the Crane Department of Music at Potsdam State Teachers College, Potsdam, will sing in the chorus at the annual Spring Festival of the Arts to be held at the college Sunday.

## Petit Park

Smallest park in the United States is at Salem, Ore. It was set aside to preserve a Sequoia tree and is barely large enough to protect the base of the giant tree.

## High School Student Takes High Honor In French Contest

RUTH BEHRENS

Miss Ruth Behrens, daughter of Mr. and Mrs. Charles N. Behrens of Port Jervis, has received a medal of honor for being the best student of three years of French in the Hudson Valley.

Miss Behrens, a Kingston High School student, entered an annual national contest sponsored by the American Association of Teachers of French. There are five eliminations: school, city, district of state, state, and country. The best student in the country wins a trip to France.

Miss Behrens had the best examination paper in K.H.S., and she has been notified in the Hudson Valley District. This district includes all cities on both banks of the Hudson from Poughkeepsie and Kingston in the south, to those at the source of the river in the north. There are many private schools in the district, where French is taught more intensively than in public schools. Also, several of these schools have native French teachers.

Miss Behrens studied French one year under Mrs. William A. Thell of Kingston, former teacher of French and German at the high school, and two years under Miss Kathryn Fellows of Saugerties, teacher of French and Spanish, and current head of the Language Department at K.H.S. Her paper has now been entered in the state division of elimination. No report has been received as yet.

## Footlighters Board Elects New Member

At a regular meeting of the Footlighters Tuesday evening at the home of Mr. and Mrs. Ernest Grafe in Bloomington, W. Irving Rose was unanimously elected to fill the vacancy on the board of governors. The short business meeting was called to order by President Grafe who presented decisions of the governing body for club approval.

Program Chairman Ernest Ward then presented his original one-act play "The Green World," starring Jules Villon, Jacqueline Mogan, Earl Mack, Ernest Grafe, and David Crystal.

Treasurer George Belts announced that incorporation proceedings were underway and four new members were welcomed into the club. The next meeting of the Footlighters will be held on Thursday evening, June 1, at which time John Mayo of Woodstock will present his original one-act play "October Be Gay."

## Ladies' Days Open At Wiltwyck Club

The first Ladies' Day of the golfing season at the Wiltwyck Club was held yesterday, with 15 women participating in a "mystery tournament," not knowing whether high or low scores would be the winners.

Mrs. C. E. Burnett won low gross with 44, with Mrs. Charles Vogel made the fewest putts. Second low gross was won by Mrs. Ivan Whitmore.

Other prizes were awarded (for accomplishments which the club preferred to keep a "mystery") to Mrs. Vincent Connelly, Mrs. Frank Pearson, Mrs. Stanley Hankinson, Mrs. James H. Winters and Mrs. Robert Daley.

Luncheon was served. Hostesses at next Wednesday's Ladies' Day and luncheon will be Mrs. Burnett and Mrs. Hankinson.

## Action Settled

A negligence action brought by John Crespiro and another against Jack Epstein and another was settled in Supreme Court Wednesday. Napolelano, Kelly and Saccam for plaintiffs and Cook & Cook for defendants.

## Highland Music Club Presents Concert Tuesday Evening

The Music Study Club of Highland will present its annual spring concert Tuesday at 8:15 p. m. at the Highland Presbyterian Church, with New Palitz Glee Club groups and vocal, piano, organ and violin solos to be featured.

"Friends and music lovers are cordially invited to attend," the club announced. There will be no admission charge, but a basket will be placed at the rear of the church for a silver offering to help defray expenses.

The program will be:

## Fair Street Couples Hold Annual Dinner In Woodstock

Forty even members attended the Fair Street Church Couples Club annual dinner at Deane's in Woodstock last night. After dinner, an entertaining and diversified program was arranged by Mr. and Mrs. Arthur Hutton and Mr. and Mrs. Gas Taylor.

Several members sang songs, the words of which they had written especially for the club. The program included a dance and a feature ending in an exhibition of cardsharp skill a contest between Bill Newkirk and Ad Schultz, which left the members in a riot of laughter.

The June meeting will be a covered dish supper given at Haskins Park at 6 p. m. on Wednesday, June 21 for the members and their children. All members will be notified of arrangements.

## Service Club

The Service Club of the Round Street Baptist Church will hold its annual meeting for the election of officers at the home of Mrs. Isabel Madden, 13 Spring street, Monday at 8 p. m. Miss Madden will be assisted by Mrs. Benjamin Seaton, Mrs. Scott Hutton and Mrs. Oscar Goodsell. Devotions will be conducted by Mr. John B. Shirley. An evening of music has been planned by Mrs. Shirley. A large attendance is expected.

# Colonials Rained Out; Play Series Finale Against Waterbury Tonight

## Locals Home Friday For Week-End Stand

With rain washing out the entire Class B Colonial League schedule last night, the Kingston Colonials returned in Waterbury tonight for their final of a scheduled two game series with the pace-setting Timers, before returning to the municipal stadium for a week-end stand.

Kingston is still a game in back of the Timers and with this fact in mind Manager Ralph Matzer is scheduled to call on Bill McKever, southpaw flinger, to halt the Nottmng state club tonight.

Waterbury after setting a sizzling pace to open the season, found the going tough in the last two encounters with the last place Torrington Braves. Torrington riddled Waterbury by 13 to 3 Tuesday night while the Colonials were absorbing a 10-4 loss at the hands of Bridgeport.

Kingston and Waterbury divided a two game series here last week-end, Kingston rallying to win Saturday's encounter by 7 to 2, but losing Sunday afternoon 10 to 6.

Although no definite pitching changes have been made by Manager Johnny Morris of the Timers, he will have Paul Knippen, Murphy Frankel, Reuben Gomez, Dave Lewis and Pete Fay ready for the firing line.

Frankel was impressive in his relief chote against Kingston last Saturday night before the roof caved in on him while Fay pitched airtight ball in relief Sunday.

After tonight's arduous tussle in Waterbury, the Colonials return to the uptown ball park with a heavy slate of week-end games facing them.

Bridgeport comes in for a single tilt Friday at 9:15 p. m. and concludes its two-day stay Saturday night at 8 o'clock.

**Poughkeepsie Supper**  
The vastly improved Poughkeepsie Chiefs, currently riding in third place only a game and a half behind Waterbury, will be in for a single affair Sunday afternoon.

The game with Poughkeepsie was originally scheduled for a night engagement but Colonial officials re-scheduled it for the afternoon in view of last Sunday's good turnout for the Waterbury game.

Following the week-end schedule here, the Colonials move to Poughkeepsie for a single game Monday and then return to the stadium for games with Torrington Tuesday and Wednesday.

Kingston will be on the road for the balance of the week in Bristol and Torrington.

New Orleans—Lenny Alvarez, 126, New Orleans, outpooled Henry Schulz, 126½, New York, 8.

## Major League Roundup

By RALPH RODEN  
(Associated Press Sports Writer)

The pennant hopes of the Brooklyn Dodgers are brighter today. Big Don Newcombe is back on the beam.

Newcombe once again looks like the pitcher the experts said would be a cinch to win 20 games and the best bet to become the first National League pitcher to cop 30 since Dizzy Dean of the 1934 St. Louis Cardinals.

The husky Negro right-hander saved the hearts of Flatbush last night as he pitched the Dodgers to a 6-2 five hit victory over the Cardinals.

Newcombe, who complained of a sore arm as he was batted from pillar to post in his three previous starts, showed no trace of the ailment as he went the distance for the first time this season.

The sophomore mainstay not only choked off the Cards on five hits but also fanned eight and clinched a game winning four-run eighth inning rally with a two-run single.

Newcombe's victory was doubly sweet to the Dodgers for the losing pitcher was chunky Max Lanier, who owned a string of eight straight victories over Brooklyn.

**Phils Edge Reds**  
The triumph enabled the Dodgers to remain within a game of the league-leading Philadelphia Phils. The Phils edged the Cincinnati Reds, 5-4, in a night game at Philadelphia. Willie Jones singled home Ed Walkus, who had tripled, with the winning run in the last of the ninth.

The Pittsburgh Pirates turned back the Braves, 4-1, in another night game in Boston. The Pirates snapped a 1-1 tie and drove Vern Bickford out with a three run attack in the sixth inning.

Sheldon Jones pitched the New York Giants to a 1-1 triumph over the Chicago Cubs in the National's only day game. He was helped by an inside the park home run in the first inning by Bob Thomson with one on.

The New York Yankees outlasted the St. Louis Browns, 11-9, but fell into first place American League tie with the Detroit Tigers. The Tigers, who began the day two percentage points behind the Yanks, knocked off the Boston Red Sox, 6-3.

Entering the ninth squared at 8-8, the Yanks shoved three runs home to win on three singles, two walks and a hit batsman.

**Drop Cracks Two**  
At Detroit, lefty Ted Gray out-pitched the veteran Ellis Kinder. In stopping Boston for the second time, Gray encountered difficulty only with Walt Dropo, sensational rookie Red Sox first baseman. Dropo drove in all of Boston's runs on his seventh and eighth home runs.

The Tigers clinched the game in the fourth when Dick Kryhoski lashed a two-run inside the park home run.

Ray Scarborough, ace Washington right-hander, pitched the Senators to a 2-0 decision over the Chicago Cubs. Scarborough yielded six hits while the Senators collected only three off Bob Kuzava but the Senators made the most of seven walks.

The Philadelphia Athletics scored three runs in the ninth inning to down the Indians, 1 to 5, in a night game in Cleveland.

**Scores Third Ace**

Syracuse, N. Y., May 18 (AP)—Most golfers would be satisfied with just one ace. But not George Podoljak. Eastwood High School pupil Podoljak yesterday scored his third ace on the 150-yard third hole at Sunnycrest Country Club.

New York (St. Nicholas Arena)—Johnny Saxton, 145½, Brooklyn, knocked out Bert Linam, 148, Austin, Tex., 1.

## Majors Cut Down to 25-Player Limit; Giants Get Jorgensen From Brooklyn

New York, May 18 (AP)—Major league baseball clubs graded for the long summer run today after stripping down to regular playing weight—the 25-man limit.

Last hour maneuvers to meet the midnight deadline saw a number of significant roster changes, none quite as unique as that of the New York Giants.

Leo Durocher's Polo grounds, struggling to get out of the second division, were left with four third basemen and pair of inexperienced catchers.

In the biggest move of the day, a three-way shuffle, the Giants bought third baseman Johnny Jorgensen from the Brooklyn Dodgers and sold veteran catcher Ray Mueller to the Pittsburgh Pirates.

Jorgensen immediately runs into a lot of competition for the hot corner spot. Other Giant third basemen on hand are Jack Lohrke, Bill Rigney and Hank Thompson.

Behind the bat Durocher was left with Wes Westrum and Sam Calderone, neither a seasoned performer.

No price was disclosed in the Jorgensen deal. To make room for the new employe, the Giants sold the 38-year-old Mueller to the Pirates for "more than the \$10,000 waiver price."

The Pirates got down by op-

tioning pitcher John McCall to their Indianapolis farm club in the American Association.

The day's most feverish activity took place in the front office of the Cleveland Indians, who first announced that southpaw Pitcher Sam Zoladak was being sent to San Diego and then, a few hours later, changed their mind.

The Indians, figuring they'd better keep their pitching staff intact, decided instead to ship infielder Johnny Berardino to the Pacific Coast League club on 24-hour option. Another infielder, First Baseman Herb Conyers, was sent along on the same terms.

Here are the other last day changes:

New York Giants—Asked waivers on Outfielder Mike McCormick.

St. Louis Cardinals—Sent Outfielder Johnny Blatnik to Houston on 24-hour recall.

Chicago Cubs—Optioned Catcher Carl Sawalski to Nashville on 24-hour recall.

Cincinnati Reds—Sent Pitcher Kent Peterson to Syracuse of the International League.

St. Louis Browns—Gave Third Baseman Frank Gustine his unconditional release.

Detroit Tigers—Sold First Baseman Paul Campbell to Toledo for an unannounced sum.

Boston, Washington, Philadelphia, New York and Chicago in

## 50-Lap Stock Race Set at Middletown

Middletown, May 18 (AP)—Officials of the Victory Speedway have planned a special 50-lap stock car feature for the opening of Saturday night racing on the one-fifth mile asphalt oval this Saturday.

The program under the aegis of the Victory Speedway will begin at 8:10 p. m. with warmups at 7:30.

Fans will be treated to a number of new drivers from the New England area, including the popular Dick Egan of Stamford, Conn.

Egan was second in the New England championships last year 190½, Detroit, 6.

## Baltimore Bowling Illegal

Baltimore, May 18 (AP)—Bowling to Baltimore is the same as smoked glasses to Hollywood. One goes with the other. But it's just been discovered that the game has been illegal here for 117 years.

With a \$2 fine to boot a councilman thumping through dusty city ordinances came across a section that outlawed the game of "long bullets."

A little research made it pretty obvious that "long bullets" was a forerunner of the game that is big business here. But don't worry about bowling alleys installing speakeasy-style peepholes in their doors. The law is to be wiped off the books at the next council meeting.

Chicago—Bob Satterfield, 178, Chicago, knocked out Lee Oms, 190½, Detroit, 6.

## Shurter Seeks First Victory

Larry Shurter of West Shokan, leading point scorer at the Rhinebeck Speedway will try for a first place in the Saturday night program on the Dutchess track.

Shurter has yet to win a main event but his consistent finishes near the top in the trials and feature events have given him the lead.

The Ulster racer faces a crack field including Al Garz, Brooklyn

## Sports Parade

Bridgeport at Colonials, 9:15 p. m.  
Kingston at Newburgh, DUSO baseball, 4 p. m.  
Kingston at Ellenville, DUSO tennis, 4 p. m.

Bob Moore, Rust Truelove and Hal McCarty.  
A long list of other leading favorites will be on tap with their souped-up creations and with this year's faster racing, the so-called "hard-tops" come in handy for the motorized jockeys at Rhinebeck.

The first event starts at 8:30 p. m. Saturday, with 51 cars in Stan Dishrow, Ray "O" Brown, the field.

## Jayvee Trackmen Score 80-24 Win

Track fever burns brightly at Kingston High School where the varsity and Jayvee squads are searching the cinders with impressive victories.

The Jayvees caught the fever Tuesday with a rousing 80 to 24 victory over Tannersville High on the stadium track.

Kingston's yearlings won nine out of the twelve events and tied one, while sweeping the mile, 440, 220, pole vault, and broad jump. Schramm, a double winner for Kingston, capped the century sprint in 10.6 seconds and 220 in 23.2 seconds. Frank Modica won the 180-yard hurdles in 22.6 seconds and Donnelly led Miles and Co. across the finish line in the mile run in 5 minutes 19 seconds.

Smith was clocked in 59.7 in a winning 440 for Kingston. John Bayona, the statistical expert, leaped 18 feet 7 1/2 inches to win the broad jump, while Henville's 41 foot heave was good enough for first place in the shot put. Harrell of Kingston leaped 9 feet in the pole vault. Koch shared first place with Howard of Tannersville at 5 feet, 3 inches in the high jump.

The 880-relay squad of Harris, Kivus, Modica and Koch, was clocked in 1 minute 42 seconds.

The summaries: 180 Yard Hurdles — Won by Modica, Kingston; Becker, T. second; Blazy, K. third. Time—22.6 seconds.

220 Yard Dash — Won by Schramm, Kingston; Lindsley, T. second; Kivus, K. third. Time—19.8 seconds.

Mile Run — Won by Donnelly; Kingston, Miles, K. second; Orr, K. third. Time—5 minutes, 19 seconds.

440 Yards — Won by Smith, Kingston; Dwyer, K. second; Mower, K. third. Time—59.7 seconds.

220 Yards — Won by Schramm, Kingston; Koch, K. second; Harris, K. third. Time—23.2 seconds.

880 Yards — Won by Potter, Tannersville; Davis, K. second; Vogt, K. third. Time 2:19.9.

Pole Vault — Won by Harrell, Kingston, 9 feet; Woodman, K. second; Emmick and Dwyer, K. tied for third.

Shot Put — Won by Henville, Kingston; Howard, T. second; Landers, K. third. Distance—41 feet.

Discus — Won by Schikshreck, Tannersville; Rienzo, K. second; Hansen, K. third. Distance—99 feet 9 inches.

High Jump — Howard, Tannersville, and Koch, Kingston, tied for first place at 5 feet 3 inches. Bayona and McInerney, K. tied for second.

Broad Jump — Won by Bayona, Kingston, 18 feet 7 1/2 inches; Burns, K. second; Lasher, K. third.

880 Relay — Won by Kingston team of Harris, Kivus, Modica and Koch. Time 1:42.

The New York Giants set a major league baseball home-run record in 1947, with 221 circuit clouts.

## Chezzies-Capitals In Twi Tonight

Rain washed out the second City League game of the week Wednesday night and the twilight circuit's debut of Danny Perlmutter, ex-Kingston Colonial player, who is the skipper of the Boulevard Gulf squad.

The Boulevard was slated to meet Wiltwyck Motors last night at the Athletic Field but the downpour before game time forced postponement of the tilt.

Weather permitting, Chez Emile and Old Capital Motors will collide tonight at the Smith avenue ball park.

Friday's action features Morgan's Restaurant and Jones Dairy.

In the only game of the week thus far, Jones Dairy scored a 7-6 win over Ferraro's Bowladrome in the belated opener Tuesday night.

Maroon Golfers Top Alumni Squad, 10-2

Although dropping their first points of the current season, members of the K.H.S. Golf Varsity continued their mastery of all opposition by handing a 10-2 trouncing to a squad of Alumni golfers at the Wiltwyck links last Saturday.

Led by Leon Randall, who fired a steady 38-37—75 to beat former Coach Watts Bailey, the entire varsity squad dealt 3-0 whitewashings to the Alumni, except Dick Davenport. Playing in the No. 2 spot, Dick found the play of his father, former city champion Maurice Davenport, too tough to handle. Dick was one up after nine holes, but dropped the second nine 3 down, and the match 2-1. In the other matches, Johnny Gleason, No. 3, topped Dr. Fred Holcomb, Jr., 3 up going out, and 1 up coming back.

Jerry Miles took both nines from Dr. George Rifenbary 3 up and 4 up. Charlie Bostic's maroon over District Attorney Lou Bruhn were 5, and 6, while his brother Harvey had leads of 2, and 6 over Bob Cullum. In the final match, Ken Davenport was 3 down and 2 down to Brian Smith.

A return match is tentatively scheduled toward the end of the season, with the Alumni members certain they can make a stronger showing.

Bence Score Easy Win Over Hustlers

Bence's Tavern, comprised of former Royal Grill players, defeated the Broadway Hustlers in the opening game of the City Softball League this week at Block Park. The final score was 16 to 1.

The winners pounded the offerings of Tom Kearney for 12 hits, including homers by Fautz and Smith. Maglie poked a round-tripper for the losers.

The City Softball champs scored nine runs in a big second inning and five more in the fifth.

Don Weeks, veteran softball tosser, limited the Hustlers to four hits.

Score by innings:  
Bence's Tav. 090 051 1—15 12 1  
Hustlers 100 000 0—1 4 5  
Batteries — D. Weeks and Matheus; Kearney, Petruski.

## Windy City Boxer Kayoes Oma; May Meet Joey Maxim

Chicago, May 18 (AP)—Rapid Satterfield, Chicago's unpredictable light heavyweight, has battled his way to the threshold of two championship matches.

The dynamic Negro puncher dramatically scuttled Lee Oma as the N.B.A. No. 2 heavyweight contender last night by knocking him out in six rounds in a startling upset in the Chicago Stadium.

Now at the age of 26, Satterfield moves up as a challenger for the world's light heavyweight title and possibly a crack at the heavyweight crown.

James D. Norris, president of the International Boxing Club, said today he would attempt to match Satterfield first with Joey Maxim, world's 175 pound champion, and then if victorious, with Ezzard Charles, provided the N.B.A. titleholder recovers from a heart ailment.

The Satterfield-Maxim showdown is planned for mid-June in Chicago, with the winner facing Charles in September.

Satterfield gave only 6,318 spectators a thrilling reminiscence of Joe Louis' palmy days when he got up off the canvas to knock out Oma in 41 seconds of the sixth round. It was one of the most dramatic fights in the stadium in six years. The upset ended Oma's winning streak of 13 consecutive victories, throwing out the "no-contest" in which he recently engaged Bill Weinberg in Cincinnati.

Floored for the count of nine with less than a minute of the fifth round left, Satterfield regained his feet and pitched a long right hand which landed flush on Oma's chin. Oma dropped flat on his back under the ropes and was unable to move as Referee Frank Gilmer started to count ten. Then the bell changed ending the round.

Frantic efforts to revive Oma in the minute before the start of the sixth were fruitless. Satterfield charged him savagely with both fists with Oma so badly hurt that he was virtually a set-up.

Satterfield landed a left and then a sharp, accurate right to the chin.

Oma's knockout defeat undoubtedly means his finish as a heavyweight contender. The record books give his age as 34 years, but his friends say he is nearer 36.

Oma weighed 190 pounds, a 12 1/2 weight advantage. He was a 7-5 favorite.

Jones Will Undergo Surgical Knife Today

Boston, May 18 (AP)—Former golf king Bobby Jones undergoes an operation at Lahey Clinic today to correct a spinal ailment caused by an accident 20 years ago.

Dr. Frank Lahey, the clinic head, said after an examination that Jones is suffering from pressure on the spinal cord caused by "a bone up near the base of the skull."

## Dad Vail Regatta at Poughkeepsie

This year's Intercollegiate Rowing Association Regatta has been transferred from Poughkeepsie, its historic site, to Marietta, Ohio, but Poughkeepsie still claims the Dad Vail Rowing Association Regatta, which will be held again on the waters of the Hudson on next Saturday, May 20.

The Dad Vail Rowing Association was established in the mid-thirties for the express purpose of encouraging the development of crews and shell racing at smaller universities and colleges.

The first regatta was held in 1939 on the North Shrewsbury river at Red Bank, New Jersey, and with exception of three war years, has been an annual feature since.

In the 1949 Regatta, the first time at Poughkeepsie, a complete program of Varsity, Junior Varsity and Freshman races was presented with crews from the east, south and middle west participating.

## Cops Yonkers Feature

Yonkers, N. Y., May 18 (AP)—A crowd of 10,000 rooting fans who lined a dusty, hot downtown street last night saw Cadet Danover win the \$2,000 featured prize event on the Poughkeepsie raceway track. Danover, a 1949 Buick Wildcat, paid \$117, \$860 and \$170. The time was 2:18. Lee Long was second and Tokyo Express third. Danover also drove the winner of the first race, Happy Warrior, which paid \$2750 to win.

## To Balance Budget

Los Angeles, May 18 (AP)—How to balance the budget of the Japanese government is the subject of a new book, "The Japanese Budget," by the Japanese cabinet member credited with balancing the country's budget for the first time in 20 years, gave that recipe yesterday. He was en route home after a visit to Washington to study budgetary measures.

## Widow Penniless

New York, May 18 (AP)—The widow of the Brooklyn well digger who died after 27 hours of torture at the bottom of a coal shaft, disclosed today that she is penniless. Mrs. Marie Atico, 29, said she even had to borrow clothes for the funeral of her husband, Dominick, last Monday. "When he died, I had only a nickel in my purse and only a few dollars at home," she said. While she talked her two children, Ann, six, and Richard, 15 months, played on the living room floor. Since the tragedy, she said she had been paying for their immediate living expenses from a few dollars sent her by friends and strangers.

## 'Friendship' Is Reported

Hartford, Conn., May 18 (AP)—An American Legion official testified today that entertainers Larry Adler and Paul Draper displayed "marked friendship" for Communism in New York and Chicago. The testimony was given by James F. Green of Onahia, Neb., chairman of the Legion's Americanism Commission, who appeared as a defense witness in the entertainers' \$200,000 libel suit against Mrs. Hester McCullough of Greenwich. Green was asked about the entertainers' reputations for loyalty in the two cities.
